Sen. McClellan's Son Killed in Plane Crash

3 Others Also Killed Near Little Rock
With Last Remaining Son of Lawmaker

Little Rock, Ark.—A grief-stricken Sen. John McClellan came home to Arkansas today to await the burial of his youngest son, victim of a plane crash that also killed three other men.

McClellan made another sorrowful journey from Washington nine years ago. He came then for the reburial of a soldier son who died overseas and his second son died of auto wreck injuries on the day of the funeral.

James Howard McClellan, 30, who was killed in the crash near Little Rock yesterday, was the 62-year-old senator's third and only remaining son.

The Arkansas Democrat received the news of the fatal crash just after he had been in the senate chamber voting on an amendment to the reciprocal trade act bill.

Told by Aide

His administrative assistant, Ralph Matthews, who in 1943 and 1949 told McClellan of the deaths of his other sons, also informed him of James McClellan's death.

Sen. and Mrs. McClellan left Washington by air last night and arrived at Memphis shortly before midnight. Friends met them there to drive them to Little Rock.

The younger McClellan, a Little Rock attorney, was at the controls of a 2-engine plane owned by a Little Rock flying service when the crash occurred. A flier since his air force service in the Korean war, he was taking a test for a twin-engine pilot's license.

Killed with McClellan were instructors Wallace Denman and Hill, 57, and Jesse Ralph Williams, 32, both of Little Rock. Harold K. Gilbert, 33, of St. Louis, Ark., who planned to take his twin-engine pilot's examination after McClellan.

A civil air patrol official said apparently McClellan was flying on one engine and that something must have gone wrong with the other one.

James McClellan was the son of the senator and his deceased second wife.

The senator thrice married

has two daughters, Mrs. Harry E. McDermott, Jr., wife of one of James McClellan's law partners, and Miss Doris McClellan of Washington.

The younger McClellan's survivors include his widow, two sons and a daughter.

Holloway Doubts Forces in Lebanon Will be Fighting

Beirut.—Adm. James L. Holloway said today "I really think we can get out of Lebanon without any fighting." He added he doubts that World War III will start here.

The over-all commander of American forces in Lebanon recorded these statements for radio and television. He appeared along with U. S. Ambassador Robert McClintock.

Both expressed optimism over the outlook, not only in Lebanon but in respect to repercussions elsewhere to the arrival of American forces in this tiny Middle East nation.

Holloway said he sees no indications of the Russians becoming involved in the Lebanese problem. Asked whether he felt similarly about the United Arab Republic, he replied that "it would not appear that service when the crash occurred. A flier since his air force service in the Korean war, he was taking a test for a twin-engine pilot's license.

Cost of Living Shows Slight Gain in June

Official Forecasts Modest Decline in Next Few Months

Washington.—The government today reported living costs rose in June by less than one-tenth of 1 per cent to another record.

The labor department's bureau of labor statistics said its index rose to 123.7 per cent of the 1947-49 average. This means it costs about 24 cents more to buy what could be purchased for a dollar a decade ago.

The June living cost level was 2.9 per cent higher than the same month last year. It was the twentieth time the official index has risen to new records in the last 22 months. There has been no decline since August, 1956.

Ewan Clague, labor statistics commissioner, said the June hike was only fractional, day of Defense Minister Jesus Maria Castro Leon after he sought to assert political power for the army.

Decline Forecast

Clague said all signs pointed to a modest living cost decline in the next few months, particularly as food items become more plentiful. He said he could not guess whether this would be only temporary or would represent any lasting price decline.

Food prices normally decline in the summertime, when local vegetable crops come in and temporarily cheapen grocery costs for housewives.

The latest living cost rise means a wage boost, generally about one or two cents an hour, for some 575,000 workers in the electrical manufacturing, aircraft, metal working, trucking and chemical industries.

The pay increases come under labor contract clauses which gear pay rates partly to living cost changes. Approximately 70,000 workers of the Douglas Aircraft Co. get no pay increase under their June living cost adjustment because the index has not increased sufficiently under their pay formula.

About 350,000 workers are due for one or two cent hourly pay boosts.

Over 1,200 Greek Cypriots Seized

Nicosia.—British Gov. Sir Hugh Foot announced today that more than 1,200 Greek Cypriots have been arrested since Monday in an attempt to prevent communal bloodshed on Cyprus from developing into full-scale civil war.

Foot said between 40 and 50 Turkish Cypriots also had been jailed in the massive, island-wide sweep.

The Turkish Cypriot underground movement "TMM" also was outlawed as a terrorist organization.

Foot said the sweep, which is still going on in scattered parts of the British island colony, was ordered after secret information was received that Eoka, the Greek-Cypriot underground, had ordered its members to step up attacks on Turkish Cypriots and increase sabotage and attacks on British security forces.

Civilian Crowd in Venezuela Forces Out Defense Chief

Minister Sought to Seize Political Power for Army

Caracas.—A demonstration by some 100,000 Venezuelans forced the resignation today of Defense Minister Jesus Maria Castro Leon after he sought to assert political power for the army.

Gen. Castro Leon had served an ultimatum on Rear Adm. Wolfgang Larrazabal, president of Venezuela's 5-man ruling junta, in what looked like the first step in a plan to oust the government.

Venezuelans regarded the plan as a showdown between the people and the military, which traditionally has ruled this oil-rich nation. Students, professional people and workers assembled in front of the government palace until after midnight in support of the junta which overthrew the military dictatorship of Marcos Perez Jimenez exactly six months ago.

Sudan Called Coup Target

Apparently Fails Due to Alertness Of Authorities

Cairo.—Western travelers arriving today from Khartoum said an Iraqi-type pro-Nasser coup was attempted in Sudan in the last few days. It apparently was nipped by the Sudanese authorities.

Details could not be learned, but Egypt's government-controlled Middle East news agency reported in a Khartoum dispatch yesterday the commander of the Sudanese army had ordered all officers to remain at their posts. The agency said he had forbidden any officers from traveling abroad until the Middle East crisis is past.

On July 19 the United Arab Republic's foreign ministry disclosed the Sudan government had ordered the ouster of the U. A. R. embassy counselor in Khartoum, Aly Khashaba, alleging he had engaged in suspicious activities.

Hails U. S. Landing

Sudan's Premier Abdullah Khalil is violently anti-Nasser. He was quoted last week as saying he was "overjoyed at the U. S. landing in Lebanon."

The two countries long have been feuding, especially since Sudan gained independence Jan. 1, 1956, ending joint British Egyptian rule. Now they are involved in a new row over damming the waters of the Nile, whose upper reaches are controlled by the Sudanese.

Meanwhile, the controlled Cairo press echoed Nasser's predictions in a speech last night that Arab nationalist revolts will engulf Jordan and Lebanon.

Ike, Congress To Keep Liaison At Session End

Ready to Move Quickly if Needed In Mideast Crisis

Washington.—Sen. William F. Knowland (R-Calif.), said today he expects President Eisenhower to maintain close personal liaison with legislative leaders if congress goes home while the Middle East crisis remains unresolved.

Knowland said telephone communications between the president and the leaders of both parties offer a better means of keeping legislators informed than if some committee were left behind in Washington to maintain liaison.

"Congress can go back in session within 24 hours if some emergency should arise requiring its action," the senator said. "I am sure the president will keep in close contact with us."

Although he declined public comment on the matter, Sen. Lyndon B. Johnson of Texas was reported to have told friends he would find such an arrangement satisfactory.

May Adjourn Aug. 9

Johnson told a news conference yesterday he sees no reason why the Middle East situation should delay the adjournment of congress, but he would make no prediction on a quitting date.

Sen. Everett Dirksen of Illinois, the senate's assistant GOP leader, said Eisenhower was told yesterday the house could clean up its work Aug. 9. Knowland said if all goes well the senate could make a similar deadline.

Powell Must Stand Trial, Judge Rules

New York.—A federal judge has ruled that Rep. Adam Clayton Powell, Jr. (D-N.Y.) must stand trial for alleged income tax evasion.

Judge William B. Herlands reopened. "I'm not afraid it's ruled yesterday that the indictment just a question of whether I can maintain charging Powell is valid."

Moscow Reports Many Diplomats Believe He Will Come to New York

BY WILLIAM N. OATIS

United Nations, N.Y.—The next step in the Middle East crisis depends on whether Nikita Khrushchev accepts the challenge to a summit meeting in the U.N. Security council.

Khrushchev today presumably was making up his mind

whether to insist on his own plan for a 5-power summit meeting apart from the U.N., or agree to the suggestions of President Eisenhower and British Prime Minister Macmillan for the high-level meeting here.

Moscow dispatches said many diplomats there believed the Soviet leader would accept the Eisenhower-Macmillan suggestion though he might not like the setup.

But an article in Izvestia, the Soviet government newspaper, which apparently was written before the Eisenhower-Macmillan proposals were known officially, threw ice water on the U.N. summit idea.

The official Tass news agency distributed this report of the Izvestia article:

"Judging by American press reports the United States rulers are seeking a suitable way to avoid it (Khrushchev's proposal for a 5-power meeting)."

"Dealing with the report on the plans to call a top-level meeting of the security council, the article inquires what simpletons do the American politicians think they are dealing with?"

Charges West Gambles

"It is common knowledge that the United States wields a mechanical majority in the security council. Does the United States really think that someone will agree to discuss cardinal international problems with Chiang Kai-shek (of nationalist China) who holds a place in the security council thanks to his American patrons?"

The article said the west was taking an "irresponsible gamble, disregarding the fact that delay in the settlement of the armed conflict in the Middle East may bring about a terrible catastrophe."

Western observers in Moscow said Khrushchev and his aides probably would do some deep soul searching before making a decision. They believed Khrushchev might find it difficult to reject the U.N. summit idea in view of his original offer to go anywhere for a meeting.

The Soviet leader's fondness for setting precedents might also affect his decision, it was said in Moscow.

Council Adjourns

The security council adjourned indefinitely last night after a second Soviet veto in four days blocked resolutions aimed at setting up conditions for American troop withdrawal from Lebanon.

The adjournment was taken to await the outcome of negotiations for a summit meeting, and the implementation of Secretary Gen. Dag Hammarskjöld's plan to reinforce the U. N. observer corps in Lebanon.

Hammarskjöld indicated he would ask U. N. members for more men to build up the observer group so they might make it possible for the United States to withdraw its 10,000 troops from Lebanon.

"I shall use all opportunities offered to the secretary general . . . to help," and develop

2 Children Suffocate In Clothes Closet

Dallas.—Two small children suffocated in a clothes closet here yesterday. Two others, who were also trapped when the door handle fell off, were rescued unconscious.

The four Negro children arms and legs entwined in the stifling closet, were found by the mother, Mrs. Cardie McDade, when she returned home from work.

Debra Joyce Moore, 3, and Tommy Allen Carr, 4, Mrs. McDade's children by previous marriages, were dead. Carolyn Moore, 2, and Cloyce Moore, 6, were unconscious. Cloyce had a temperature of 108 and was packed in ice at a Dallas hospital.

Police said that temperature in the closet, which was used to store winter clothes, was well over 100 degrees.

Byrnes Says Ruling Harms Pro Football

Packer Backer Says Sport Should Be Free of Antitrust Restriction; Views Problem for Subcommittee

Washington — (AP) — One of the Green Bay Packers' heartiest backers declared today a supreme court decision holding pro football subject to ordinary business laws places the sport in jeopardy.

Rep. John W. Byrnes, R-Wis., a Green Bay resident, said the senate should follow the lead of the house and pass a bill to free professional team sports of many antitrust law restrictions.

Byrnes planned to take that position when he testifies before the senate antitrust subcommittee this afternoon.

Other Witnesses — The subcommittee, headed by Sen. Estes Kefauver also listed as witnesses Rep. William E. Miller, R-N.Y., and two former football luminaries — Sammy Baugh and Arthur D. Berman.

Coach Jim Tatum of North Carolina had been asked to testify but sent his apologies.

Baugh, the Texas Christian product who broke National Football league passing records galore as quarterback for the Washington Redskins, now coaches at Hardin Simmons in Texas.

Bergna, former Notre Dame player, coached Catholic University of Washington in the first Orange Bowl game and in 1945 directed the Redskins to the NFL's eastern division title. He now manages the National Guard armory here.

The subcommittee is obtaining views of various sports leaders on a house bill to permit pro baseball, football, basketball and hockey to continue with legislative sanction their player reserves, drafts, trades and territorial rights. The measure also would permit the sports to regulate TV - radio broadcasts of their games.

Organized baseball alone now

holds an antitrust law exemption. The bill would put the other three sports on the same basis.

Byrnes said before the hearing that the Packers owe much of their success to the contract reserve clause and draft of college stars, which he said have made the game so competitive.

Smallest City — Green Bay, with a population of 60,000 is by far the smallest city in the league. Byrnes said its new million-dollar stadium was built with the idea the Packers would be able to operate as they have, without fear of getting into difficulties with the law.

The subcommittee Tuesday heard a Green Bay star, all pro end Bill Howton, testify a bill once rejected by the house would offer NFL players more protection from "dictatorial policies" of club owners.

Howton is president of the NFL Players association. He went before the senate with Creighton Miller, former Notre Dame back who is the players' attorney; End Kyle Rote, of the New York Giants, and Linebacker Les Richter of the Los Angeles Rams.

Launch GOP 'Operation Coffee Cup'

Washington — (AP) — Vice President Richard M. Nixon formally launched a Republican "Operation Coffee Cup" campaign today by telling GOP workers to "get up early and stay up late" if they want to win this year's election.

Nixon was guest of honor at an early morning coffee party sponsored by the National Federation of Republican women at the Capitol Hill club. Secretary of Labor Mitchell and a score of congressmen also attended the kick-off affair, which is supposed to set the pattern for neighborhood coffee meetings throughout the country.

President Eisenhower, in a telegram of greetings, said the "neighborhood session" was "a splendid way for neighbors to meet their candidates face to face and discuss personally with them the issues of the day."

He said he hoped today's meeting would "serve as an example for thousands of similar meetings in precincts across the country."

Nixon told the group the Republicans have a real fight on their hands but can win if they acquaint the voters with the candidates and the issues. An effective way to do that, he said, is to arrange for neighborhood coffee parties at which candidates can meet and chat with the voters.

Noting the early hour — the affair started at 8:30 in the morning — Nixon said "We will have to get up early in the morning and stay up late at night to win."

J. H. Edmondson Wins Oklahoma Runoff Election

Virtually Assures Young Democrat of Governor's Chair

Oklahoma City — (AP) — By a record vote, Oklahoma Democrat

J. H. Edmondson Tuesday picked a 32-year-old county prosecutor and a 31-year-old bachelor school teacher as nominees for governor and lieutenant governor.

And this virtually assured J. Howard Edmondson the chief executive's office the next four years and the No. 2 state post for George Nigh.

Although both face Republican and independent opposition in November in the general election, Oklahoma has never elected any but a Democrat for its top state offices.

Political Miracle — Edmondson, whose own supporters called his first primary election lead a "political miracle", beat millionaire home builder W. P. Bill Atkinson by 203,706 votes. He polled 362,877 to 159,171 in unofficial returns.

In the first primary, he led by just 742 votes. Nigh, who came within a few thousand votes of being eliminated in the first primary along with 10 other candidates, defeated Lt. Gov. Cowboy Pink Williams by 108,802, rolling up 300,002 votes to 191,200 for the man who led in the election three weeks ago by a 95,464 margin.

The 522,048 votes cast yesterday was the biggest second primary total in history. The runoff was necessary because in some state offices, no candidate polled a clear majority on July 1.

Edmondson, for four years county attorney at Tulsa, campaigned on a reform platform. He also pledged to call a special election on repeal of the state's prohibition laws.

A brother of Rep. Ed Edmondson, he was considered a political unknown two months ago. But his youthful vigor, dynamic television personality and blitz type campaigning of shopping centers brought him overwhelming support.

Return of Dignity — Nigh, a state representative for 8 years, was even less known statewide than Edmondson. The youthful McAlester teacher campaigned to return what he called "dignity" to the role of lieutenant governor.

The youth movement which swept the 32-year-old Atkinson and 66-year-old Williams into discard, extended to another office: State treasurer. Here 33-year-old William A. Burkhardt of Oklahoma City won the Democratic nomination against 78-year-old A. S. J. Shaw, a veteran state official.

Edmondson must face Republican Phil Ferguson, once a Democratic congressman from Oklahoma, and independent D.A. Bryce, a former FBI agent in the general election.

Monkey Business Plagues Police

Springfield, Mass. — (AP) — State police today have a notation on their books under the heading of "monkey business."

A motorist on the Massachusetts turnpike reported Tuesday a monkey leaped on the hood of his car while the car was traveling at 30 miles an hour.

Police admittedly were skeptical. A short while later, however, another motorist reported seeing a monkey sunning himself on a guidepost and then doing a couple of back flips on the hood of a passing car.

Where the monkey came from was a mystery.

15 Beauties Remain in Race for U.S.A. Title

Field Will be Reduced to One for Finals of Miss Universe Contest

Long Beach, Calif. — (AP) — Fifteen beauties—almost half of them southerners—carry United States' hope forward today toward the finals of the Miss Universe contest.

The U. S. contingent was cut one-third Tuesday night when the judges took their first look at the entries in this year's beauty pageant.

The girls from Dixie took seven of the coveted semi-finalist spots, with the judges nodding to representatives of Alabama, Florida, Georgia, Louisiana, South Carolina, Tennessee and Texas.

Others Picked

The others picked were from California, Montana, South Dakota, Utah, Washington, Illinois, Nebraska and New York.

As the curtain fell on the program, at Long Beach municipal auditorium radiant smiles wreathed the faces of the winning 15—and tears and sniffles

appeared among the 30 who tried and failed.

Some girls took it so hard their chaperones cried, too.

But blonde, statuesque Miss New Hampshire didn't take it that way. Patricia Larrabee, 19, of Salem, told a reporter: "I'm relieved. Now that the tension is all gone, I can enjoy myself."

But the tension gripped even harder today at the 15 U. S. girls still competing. Tonight the 15 will be narrowed to five and the five to one—Miss U. S. A.

Who will she be? Bet with the pageant audience, and the choice is clear: Miss Louisiana.

Loudest Applause

Euryline Howell, her long, honey-blond hair swept back from her forehead, drew the loudest burst of applause from the 4,000 spectators as she swept down the runway in a long, white formal.

A photographer took a look and whistled. "She walks like more for a model and she owns the joint," he said. Army Rebuked For Its Stand On Camp McCoy

Air Force Denied Use of Area for a ICBM Intallation

Washington — (AP) — A congressional committee rebuked the defense department Tuesday because the air force was denying the use of Camp McCoy.

The house appropriations committee, in a report on military construction appropriations, did not specify Camp McCoy by name. However, a committee member said the Wisconsin army base was the site mentioned.

The report said, in part, "The office of the secretary of defense took no steps to insist on the use of at least a portion of this facility in lieu of the use of less desirable areas."

Most Adaptable

Predict Senate Will Fashion Trade Measure Satisfactory to Ike

Conferees May Come Up With Full 5-Year Extension President Asks

Washington — (AP) — Senate leaders predicted today the reciprocal trade extension bill will emerge from conference with the house in a form satisfactory to President Eisenhower.

Sen. Harry F. Byrd (D-Va.), who will head the senate conferees, told a reporter "I am sure we will work out a bill that will be fully acceptable to the president."

Senate Democratic Leader Lyndon B. Johnson (D-Tex.) said the conferees might come up with the full 5-year extension asked by the president, if not, he said they will surely agree on four.

The senate Tuesday night passed a 3-year extension measure 72-16 after five days of debate.

Bipartisan Vote — The body rolled up a smashing 63-27 bipartisan vote to give Eisenhower a major victory in his fight to retain his power to override tariff commission recommendations for quotas and higher tariffs.

The leaders on both sides who cooperated to achieve this did not call for any other floor tests on provisions put into the bill by the senate finance committee over administration opposition.

They preferred instead to iron these out in conference.

committee member, said the air force had made a survey of the United States and found the Wisconsin site was most adaptable for ICBM installations.

Laird said the air force's request for use of the property was turned down by the army on the grounds that it needed to keep the camp ready in case of mobilization.

Laird told Wilfred McNeil, assistant defense secretary, "You know, and I know, that it is not going to be used as a permanent army base at any time in the near future."

Although Laird didn't name Camp McCoy, he was referring to that base.

"Camp McCoy now is used chiefly as a site of summer training by units of the National Guard and army reserve.

The house passed the measure 317-98 last month in a form which met all of Eisenhower's specifications.

Byrd said the conferees will not be able to meet for eight days because Sen. J. Allen Frear (D-DeI), one of the senate group, will be away.

Reject Decision — Under present law, the president can and sometimes does override a tariff commission recommendation for relief to an industry claiming damage from foreign imports.

But under the provision the senate rejected his decision against such a recommendation would not have prevailed unless a majority of both branches of congress passed a resolution backing him.

The senate action meant a return to present law. But the house put in its bill a provision allowing congress to reverse the president in such a case by a two-thirds vote of each branch, and this may be restored in conference. It is acceptable to Eisenhower.

Extortion Plot Fails When Man Steps Into Police Trap

Portage — (AP) — With an FBI Pape called the woman's house agent dressed as a woman Monday night and instructed providing the bait, a 23-year her to leave the money at the old Portage man stepped into farmhouse. She obtained the a police trap Tuesday and was funds from a bank and turned arrested on a federal charge of it over to an FBI agent, who attempted extortion.

Taken into custody was a while dressed as a woman. The FBI man identified by the FBI as James John Pape, who carried name the intended victim or a .22 caliber pistol but offered her son.

The attempt, officials said, by officers who had been hiding was the second formed by Pape, who had designated the house as a payoff point, had fired several shots at the structure before entering.

Warrant Issued — After being held most of the night in the Columbia County jail here, Pape was taken Tuesday to the Dane County jail attempting to extort \$5,000 from in Madison where a warrant Dr. William Taylor of Portage was issued by U. S. Dist. Atty. in a letter mailed July 7. The communication threatened Dr.

Francis Riley, a Portage police chief, said Pape admitted Taylor, or his son, Dr. Stewart trying to extort \$2,500 from a Portage woman on a threat of time, but Pape failed to keep injury to her son. Riley said the rendezvous.

5 Cities Plan Industrial CD Meeting in Fall

Chambers Will Set Up Survival Conference For Fox River Valley

A 5-city, Fox river valley industrial survival conference moved into the planning stage Tuesday night.

Representatives of the chambers of commerce and industry from four of the five cities—Oshkosh didn't attend—agreed to name three men each to a committee which will set up the conference. No date was set, although October was mentioned.

The meeting will be for business, industry, labor, education, religious and civil defense leaders of Green Bay, Kaukauna, Appleton, Neenah, Menasha and Oshkosh. The theme will be industrial survival, but this carries over into survival for everyone, it was pointed out. If a company trains its workers in civil defense, it trains them on the job and in what to do at home with their families, Leonard E. Pasek, assistant to the president of Kimberly-Clark corporation, said.

Earlier Talks
The industrial survival conference stems from discussions earlier this year—notably on April one in Neenah when five chambers of commerce leaders agreed they would hold a conference. At the end of May 28 men from the five cities attended a 1-day briefing at the Battle Creek, Mich., headquarters of the federal civil defense administration.

The 5-city, 3-county Battle Creek briefing was the first ever tried by the FCDA in bridging municipality lines. The conference in the Fox river valley this fall will be the first multi-city survival conference in the U. S.

Three main ideas emerged from the meeting Tuesday night in Appleton's city council chamber—the conference should show government leaders that industry and business are interested in civil defense, that government cannot do the civil defense job alone and that community leaders must work with government in civil defense.

Donald C. Bradley, chairman of the Appleton chamber's survival conference committee, told the group the chambers were a logical means to get the communities' leaders behind a civil defense educational and action plan for industry and the entire community of the Fox river valley.

Ways to Work
It was pointed out that industry can work within its own organization for civil defense planning for disasters and with governmental units for community or regional disasters.

Next and first meeting of the survival conference meeting probably will be in Green Bay, although no date was set.

Others attending the meeting were Appleton Mayor Clarence Mitchell; Appleton Chamber of Commerce President Walter L. Rugland; H. L. Sherman, Menasha civil defense director; Frank Jenkins, Appleton, Azco, Inc.; Robert D. Sues, Marathon division of American Can company; James R. Powers, Bergstrom Paper company; James E. Bamberry, Kaukauna chamber secretary; John W. Conlon, Kaukauna chamber president; R. M. Beaupard, Thilmany Pulp and Paper company; D. J. Bordini, Kaukauna Vocational school; Harlan Dobry, Green Bay association of commerce, and Thomas L. Skogg, Green Bay Box company.

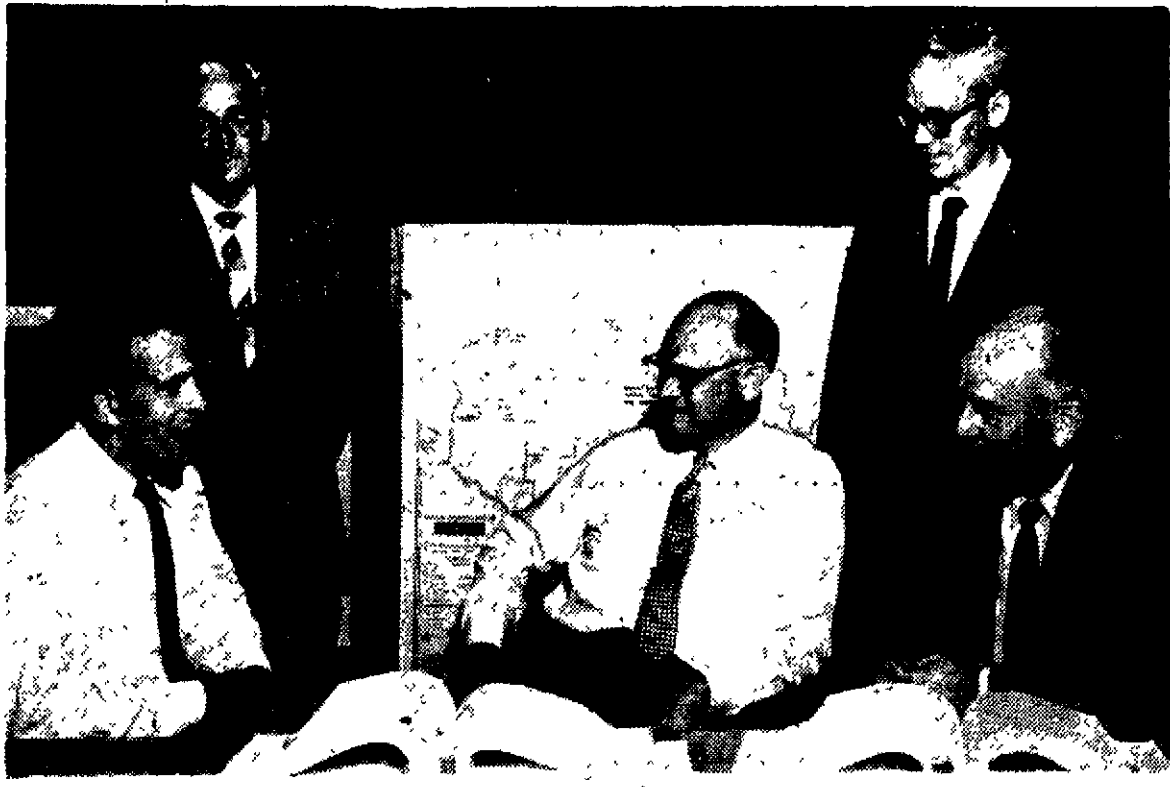

U. S. Woman Mother Of Four Sets of Twins

Livingston, Mont. —(P)—The thing they said happens only one time in 88 has happened three times in four for Mrs. William Amsk, wife of a lumberyard worker here. She's been a mother four times and has seven children. Mrs. Amsk gave birth Sunday to her third set of twins, this time boys. The couple already has boy and girl twins age 9, twin boys age 8, and a 4-year-old son.

Representatives of Four of Five cities which will participate in a fall civil defense industrial survival conference talked over plans Tuesday night in the Appleton council chamber. Seated, left to right, are Donald C. Bradley, chairman of the Appleton chamber's survival committee; Walter L. Rugland, Appleton chamber president, and H. L. Sherman, Menasha civil defense director. Standing are John W. Conlon, Kaukauna chamber president, left, and Thomas L. Skogg, Green Bay Box company. Opened before the men are the two volumes of the state's survival plan, released several months ago. Behind them is a map of the state's CD zones. (Post-Crescent Photo)

Halt Signing of Student Petition

Austin, Texas — A group of University of Texas students were stopped Monday from circulating a petition opposing "unjustified intervention of American troops in the inter-

national affairs of Lebanon." Ed Price, former UT football coach and assistant dean of men, said the students set up a booth to secure signatures. Price said they were stopped because they "have not applied for permission" to set up a booth. He said they had the usual students only.

These Days

Sokolsky Sees Little Progress In U. S.-Russia Understanding

BY GEORGE SOKOLSKY

Swifter and more general means of communications do not necessarily mean better understanding. One would have imagined that this would always be recognized, for otherwise how can it be explained that those who live under one roof, husband and wife, father and son, mother and sister, fail to understand each other and often grow apart as the years pass?

Despite all the effort that has been put into achieving a more effective exchange of views between the United States and Soviet Russia, very little progress has been made.

I quote a paragraph from "Izvestia," the official government newspaper of Soviet Russia, as an example of total misunderstanding.

"The president's explanation exaggerates the role of the United States in the development of historical events. This has obviously not been done without a purpose, but to justify the current rearmament of the United States and those military measures which it is taking in all parts of the world on the pretext of insuring peace."

"This wrong idea about the

exceptional role of the United States in the shaping of world events, which attempts to ignore the interest of other states, is used as the basis for the U. S. president's reply. For instance, the stubborn raising by the president of the question of the social systems in the European people's democracies, and even in the Soviet Union, is dictated precisely by such an idea. The time has come to realize that the question of the existence of socialist countries was decided by history long ago, and is not 'subject' to the American monopolies, which, as consolation, still appear to consider themselves all-powerful."

Language Confusing

The very language of this paragraph is confusing to an American.

"On the pretext of insuring peace." After all, since 1917, whether we have been right or wrong, we have expended the wealth of our country, sacrificed our sons, bore the burden of taxes and debt, in the hope of achieving world peace.

Woodrow Wilson was wrong in establishing the League of Nations, at any rate whatever he did was to achieve peace.

Similarly, the United States went into World War II in partnership with Soviet Russia for the cause of peace and human rights. In this cause, the United States gave Soviet Russia

\$11 billion in goods and funds with the object of assisting Russia to establish a modern industrial plant.

Communist Book

Earl Browder, formerly leader of the American communist party, has written a book, "Marx and America," which Duell, Sloan and Pearce. He says:

"Marx clearly recognized America's exceptional position, demonstrated by its deviation from his doctrine of impoverishment or 'pauperism' as the 'absolute general law of capitalist accumulation.' This exceptional position must have had exceptional causes."

Another phrase they use is "U. S. ruling circles." Who rules in the United States? The Russians, out of their experience with Czarist autocracy and communist dictatorship, seek a ruling class here. They seek a counterpart of their own communist hierarchy. The fact that we live by difference and controversy, by debate and discussion, by a 2-party system of majority and minority, is altogether foreign to them.

At one time, the communists made a great to-do about Wall Street, which became for them a symbol of a dominant ruling class. There are financial firms that employ fixers in Washington, but not one such fixer possesses the power or influence, let us say, of Walter Reuther of the AFL-CIO.

Summit Talks Decision Up To Khrushchev

CONTINUED FROM PAGE 1

the group "so as to give it all the significance it can have," he told the council. "You will forgive me for not being able to spell out, at this moment, what it may mean beyond that."

Russia's eighty-fifth veto defeated a Japanese resolution calling on the U. N. "to make possible the withdrawal of United States forces from Lebanon" by arranging to protect that country's territorial integrity and political independence.

The Japanese resolution was interpreted as calling for strengthening of the 135-man observer group which the council assigned June 11 to insure against intervention in the Lebanese revolt by Nasser's United Arab Republic. All the council members except the Soviet Union voted for it, and Hammarskjöld then said he would enlarge the group anyway.

Step Toward Withdrawal
U. S. Delegate Henry Cabot Lodge told reporters he thought Hammarskjöld's announcement "very helpful." He added that the secretary general's action could bring about conditions

general on U. N. protection for Jordan to replace the 2,000 British troops sent there last Thursday.

The United States, Britain and France were almost as much divided among themselves on a council meeting attended by heads of governments as they were divided from the Russians.

Answering Khrushchev's summit proposal, President Eisenhower indicated reluctance to be drawn into a U.N. meeting with the Soviet boss. But was a summit council meeting "generally desired, the United States would join in following that orderly procedure," Eisenhower said.

Wisdom Needed
Macmillan in a much stronger commitment said he "would certainly be ready to attend" a council meeting with Khrushchev. He proposed that it be confined to discussion, with no resolutions put to a vote unless all were agreed in advance.

French Premier De Gaulle said he was ready for a summit meeting but that the U.N. lacks the calm atmosphere for it. He proposed that the leaders meet elsewhere.

Khrushchev told reporters at a reception in Moscow last night that the United States and Britain "must show wisdom and understanding of the times and pull their troops out of Lebanon and Jordan." Otherwise they will be crushed by the force of Arab nationalism, the Russian leader said.

Khrushchev said the "boot of the foreigner must be removed" from Arab soil, but he did not threaten the west with armed Soviet intervention in the Middle East or rattle red rockets.

Score Imperialists
The Soviet premier said that in his secret meeting with President Nasser of the United Arab Republic last Thursday, "we talked about how to stop the hand of the imperialists, of what we could do to prevent war in the Middle East so that the new republic of Iraq could grow strong and independent, whatever course it may wish to take."

Nasser celebrated the sixth anniversary of the Egyptian revolution with a fiery speech yesterday asserting that U.S. and British forces in the Middle East "will be defeated." To an estimated 250,000 cheering Egyptians, he predicted Arab nationalism — meaning under his dictatorship or at least influence — will triumph in Lebanon, Jordan, Algeria and in Jerusalem, which is divided between Jordan and Israel.

Nasser accused King Hussein of Jordan with having "subjugated and betrayed his people and opened the doors to imperialist occupiers." He likened him to his grandfather, King Abdullah, who was assassinated in 1951 by Palestinian Arabs. Some observers interpreted the reference to Abdullah as a call for Hussein's assassination.

Four ministers in the new Iraqi government and two Iraqi army officers also spoke to the Cairo crowd. "We pledge to you the Iraqis will go along with you in the Arab-liberated caravan," Education Minister Gabr el Omar said.

Consider Special Meeting of NATO

London —(P)— The foreign office said today the 15 Atlantic pact allies are considering a special meeting of their foreign ministers in Paris next week to discuss the Middle East.

A spokesman said any decision about holding the special meeting would be taken by the permanent council of the alliance which is to meet in Paris today.

One of the main purposes of the special meeting would be to dovetail allied policies before any summit meeting of the UN security council.

U.S. Secretary of State Dulles is flying to London over the weekend for conferences with the premiers and foreign ministers of Britain, Turkey, Iran, and Pakistan—members of the Baghdad pact.

Driver Not Injured in Accident, but Hurt In Fall at Wreck Site

Shelby, N. C. —(P)— Truck driver John Suddeth of Greenville, S. C., walked away unscratched when his big trailer rig blew a tire and flipped over, dumping 500 bushels of peaches here.

Tuesday he went back to the wreck for his spare clothing, slipped on a wet bank and smacked into the side of the truck. Head injuries and a possible broken leg, said the doctor.

Arab Nationalism

Such criticism as has developed in this country of the administration's decision to send the Marines into Lebanon has been based principally on the complaint that in trying to help our friends and hurt our enemies in the Middle East we are running counter to the tides of "Arab nationalism." These people feel that we are being cast in the role of neo-colonialists, of using our military power to shore up feudal regimes against which the people of that area are rebelling, and that we are purchasing for ourselves much ill will and even hatred which will return to plague us for years to come.

It is interesting to note that many of these people who today are showing such sympathy for Arab nationalism — or Indian nationalism, or Indonesian nationalism, or whatever — are the same people who, regarding themselves as internationalists, a few years ago were arguing that the era of nationalism was over, that the world could no longer afford to tolerate that feeling of loyalty to one's country above all else which is called patriotism by some and xenophobia by others. The world was supposed to be moving into an era in which the rights and welfare of all mankind were to take precedent over national interests, national symbols and above all, national glory.

We think these people were more right then than now. Insofar as this term "nationalism" describes the urge of formerly subject peoples to maintain their independence against their former rulers or would-be successor rulers it is something the United States can and should encourage and applaud. We can go even farther than that: a feeling of deep loyalty to one's own country and one's own people is a fundamentally healthy emotion that should be held by all people. A parallel to this point of view might be found in the man who

Olive or Martini?

The olive industry must be looking to its future with profound anxiety now that the world has had opportunity to digest the news that an oenologist has detected a national swing back to the 3 to 1 martini.

If true, it means the 9 to 1 (oh so dry) martini will go the way of the passenger pigeon and the zoot suit.

The olive people may regard the news as good or bad, depending on individual viewpoint and faith in the public's power of consumption.

One school of thought deduces, somewhat logically, that a less potent drink will result in increased consumption. Others see it in the light of waning interest on the part of the public for a drink often considered a national institution.

But there are diabolical forces at work which pose a greater threat to olive producers. It appears to be a matter of basics.

The industry concerns itself with the martini-drinking public on an individual drink basis. Historically, a bartender plops an olive into the glass each time he stirs a new batch for a customer. Two drinks, two olives used — three drinks, three olives used, etc.

A Successful Fair

The most successful Outagamie County Fair ended Sunday. It was successful in all departments — finances, entertainment, and the real reason for a fair, judging of animals and produce.

This fair had more of everything, more 4-H exhibits, more rides for the kids, more concessions, more entertainment and more people attending. Everyone agrees the shows were the best of a long line of good shows. The carnival was clean and bright, its people courteous.

Fairs are real fun. They give city children a chance to see animals close up and give the farm children the opportunity to proudly show their accomplishments. Their elders, removed from the farm, get nostalgic satisfaction from the stable and cattle barn atmosphere. Just walking down the midway, greeting friends at every hand,

urges his friend, who is of another religious faith, to be loyal to the tenets of his own church, on the theory that a religious belief that differs from one's own is better than none at all.

But errant, arrogant nationalism run amuck is the most dangerous thing in the world. It was, in fact, just this kind of nationalism that intoxicated the peoples of Germany and Japan and caused World War II; it has been this kind of nationalism that has caused almost all the great wars of recent centuries. And in this era of nuclear weapons of unbelievable destructive power, it is something that could destroy civilization.

Which kind of nationalism is motivating the Arabs today? One has only to read excerpts from Cairo and Damascus radio broadcasts beamed at the non-Nasser states, or read the hate-filled editorials in the Nasser-controlled press, or contemplate the manner in which the "revolution" in Iraq was carried out — the king, the prime minister, and other officials brutally murdered — to differentiate between this kind of nationalism and the kind with which we are instinctively in sympathy. This is the Hitler kind; it is a vicious, snarling, hysterical kind of nationalism that brooks no opposition and refuses to be restrained by the most basic rules of international morality or even decent human behavior.

Of course, underpinning this Nasser-led fanaticism is the true kind of nationalism — the rapidly awakening desire of the long-exploited Arab peoples for a place in the sun and a chance to live in freedom and dignity. But to say that we should bow to the former because of our sympathy with the latter makes no sense at all. The legitimate aspirations of the Arabs no more excuse Nasserism than did the desire of the German people for *lebensraum* excuse Dachau, or the grievances of the Sepoys the Black Hole.

It is, however, the studied opinion of many that the olive is strictly excess baggage — garbage, as it were, in a river of crystal-clear goodness. Still others prefer a small pearl onion or a tiny green pepper, if it is their wont to tamper with the nature of the drink.

It is this growing trend which concerns those in the olive industry. Where, they ask, will it end?

We have no notion where it will end. Further, we are inclined to look upon news concerning the 3 to 1 martini with a certain skepticism.

We base this feeling on our belief that the true martini drinker (not the social sipper) is a rugged individualist — a person of rare character who does not take to change easily.

At the bar or at home he will insist on pureness of content, exactness of ratio and only split-second contact with ice in the preparation of his martini.

The olive people, to be sure, have their problems but our sympathies must go to the makers of vermouth. There is a future as dry as the 9 to 1 martini.

brings back the days of childhood when going to the fair was exciting and thrilling and a day to be long remembered.

Four beautiful July days of sunshine and comfortable temperatures brought out over 40,000 people, 14,000 of them under 12. Rain, the bugaboo of all fairs, never even threatened to spoil the fun.

The credit for a well-organized, entertaining four days must go to "Mr. Fair," Mike Burns of Seymour. This man, an attorney, has spent most of his adult life building the Outagamie Fair. He has begged, pleaded for help, faced sometimes antagonistic county boards for money to pay the bills in lean years.

Mike, almost singlehandedly, has built the fair into one of the best in Wisconsin, perhaps anywhere.

We hope the future holds many more fairs like the 1958 edition.

Review of Political Pressures Urged

From the Elizabeth N. J., Journal.

We read in a reliable newspaper a story from a reliable source, a story which says that Sen. Clifford P. Case (R-N.J.) "is considering a call for broad congressional action to deal effectively with the knotty problems of gifts, favors, political pressures and 'influence' in federal government — on Capitol hill as well as downtown Washington." In other words Sen. Case seems to have his mind set on up-setting an apple cart and start more apples rolling than were ever blown from Monmouth's lovely trees in all the hurricanes that ever were.

There's one thing about upsetting political apple carts, there's no telling where the apples will roll. Apples have no brakes. And apples rolling down the incline of Capitol hill could keep right on rolling in all directions until the "mischievous" could become general — and would if Sen. Case ever gives them a good start.

That doesn't just go for the vicuna set; it just doesn't go for those who borrow parlor rugs for whinnings. It goes for a thousand ways of weakening government at all levels and "interests" that "conflict" in a hundred varieties. It goes for states as well as Washing-

ton, it goes for counties and communities all the way down to the water tower railroad stop.

Once an individual has been elected to or selected for public office the pressures start. Some day a great tome is going to be written about the application of pressures for advantage.

So much for the pressures. The major evil of their existence is that some officials succumb and the public, so often found condoning in batches with a touch of envy, pays the bill. What Sen. Case is considering could be the first step in a widespread review of business methods that have caused this country great harm and will do much more if there is no public rebellion against performance failures in public life that cost the taxpayer an amazing fortune — and aid the enemy.

Well, Look Who's Talking

What Others are Saying

Industrial Revolution Coming With Highway Building Program

From the Kansas City Star

In the last century industry and population followed the railroad builders. Today a somewhat similar revolution is coming with the greatest highway building program in history. The only valid comparison with a transcontinental expressway is a trunk line railroad.

Writing in Dunn's Review, Ray Mitten says, "On a nationwide scale, the Federal Aid Highway act of 1956 will have almost the effect of another industrial revolution on the economy."

Currently the interest is in the immediate effect of spending for highways. Studies by the American Road Builders association indicate that each dollar spent on highway building produced \$4 to \$5 of business.

That's why this Congress voted money to speed the highway program as a quick answer to the recession.

But for the long pull the main economic impact will come from the use of the expressways. Mitten quotes E. M. Boerke, president of the Society of Industrial Realtors, who emphasizes modern industry's need for space. For the industrialist who needs several hundred acres the rural expressway is a standing invitation. In the built-up areas such tracts are hard to find and even smaller acreage is very expensive.

But 15 or 20 miles out, along an expressway, the industrialist can buy a farm. His employees can continue to live in the city and, per-

haps, reach the plant about as quickly as they can drive to some of the old industrial districts on conventional streets. This reverses the old arrangement by which farm and small town people commute to the city to work.

Like a railroad, the expressways offer freight service at the door of adjoining businesses. The New York Thruway accounts for 500 million dollars of industrial development, completed or on the way. Dealers in industrial real estate point to fantastic leaps in values at good expressway locations reasonably near cities. According to Mitten, communities along the Boston expressway have picked up 140 new companies in addition to developments at eight industrial parks.

This is a pattern of growth whenever and wherever modern expressways reach out from the cities. This area has such an expressway in the Kansas turnpike. It will have others. Interstate freeways will leave Greater Kansas City along the general route of highway 50 to the southwest, highway 40 to the east and highways 71 and 69 to the north. There you have the main lines of a pattern for the future highway revolution.

Need Answer to Traffic Problem During Parades

From the Cincinnati Times Star

It would be interesting — and also frightening — to know what would have happened to downtown traffic if a parade had been held here during this week's downtown bargain days. If the experience of the recent Grotto and VFW parades are any measure, the congestion would have been catastrophic.

Parades are fine things to watch, but not to combat. They tie traffic in knots when held during business hours and more and more merchants all over the country are finding that such shows play hob with sales.

Here in Cincinnati parades downtown are confined by ordinance to those given by patriotic or religious organizations and those of occasional and extraordinary interest. They are limited to a fixed route and, at one time, were supposed to be held at night.

The Retail Merchants association tries to get organizations holding parades to march during non-peak hours. The VFW co-operated wholeheartedly. Actually, however, the association would like to see all parades held a half hour after store closings. That would relieve congestion and at the same time permit those who so wished to remain in town to see the show. The ideal solution is to limit parades to Sundays and holidays.

There is no desire to ban parades entirely. Cities which have done so have changed their minds. Also free-spending conventions that hold parades shun cities that won't let them march, and that is bad business. But with the traffic problem what it is, it is time for the city to give its parade regulations a second look. Some reasonable solution certainly can be worked out.

State's Voters Backing Ike's Lebanon Policy

BY JOHN WYNGAARD

Madison—The early comments of some of the leading office-holding Democrats and notably Sen. Proxmire and Rep. Henry Reuss of Wisconsin, suggest their feeling that the president's decision to intervene militarily in Lebanon is opposed by the people of Wisconsin.

Yet if such soundings as this department has made during the last few days are representative, the Democratic legislators in Washington are out of touch with the reactions of their constituents.

Depending upon the consequences of the Lebanese enterprise, there appears instead to be a rather remarkable unanimity of view among rank and file citizens that the decision was a natural and justifiable one, if not an inevitable one under the announced policies of the country and the realities of world power politics of the time.

This correspondent has made it his business to seek out some dozens of representative citizens, in various occupations and groupings, and has been astonished at their readiness to concede the wisdom of the administration decision — although most of the comments are significantly coupled with the fervent hope that the United Nations can take over the situation.

ECHOES

The shrinking of the world militarily and economically has had its echoes upon local politics in Wisconsin, half way across the world from the troubled eastern Mediterranean, and there are no persons more sensitive to the fact than Wisconsin Democratic campaigners.

They never tire of telling each other that they would have made strong gains in Wisconsin half a dozen or more years ago — the kind of gains they are so hopeful of making this year — except for Mr. Truman's intervention in Korea and the unpopular consequences of that decision.

It may be that the memory of those days remains fresh in the minds of such men as Proxmire and Reuss, who were fledglings trying their political wings for the first time then.

But there persists also, and curiously, the conviction that the people of Wisconsin in 1958 retain the political posture and attitudes of their grandfathers and fathers in earlier times.

Eastern editors, for example, are sure that Wisconsin remains "isolationist," as the word goes, quite ignoring the record of recent elections, including the dis-

patching of numbers of decidedly non-isolationist representatives to Washington during the last decade or more. Are there any two men sitting in the senate for any state who could be called "isolationist" with less justification than the two Wisconsin senators of today? This persistent legend is of a pattern with the outside superstition about the surviving "machine" of the late Sen. McCarthy.

Reporters from distant places are forever wandering into the state asking questions about that, and appear perplexed and sometimes incredulous when they are assured that there is no such thing, that it is now long since past.

LATER STORY

All of this is not to say that there is not a certain vulnerability in the country's calculated risk-taking in the remote Arab world, depending upon developments, with respect to local and congressional elections.

Virtually every voter this column has asked about the issue made some regretful remark about Suez. Many mentioned Korea.

A clash of arms in Lebanon obviously could be one of the key influences upon the electoral behavior of the people of Wisconsin later in the year, and especially if the results are unfavorable. But for the moment, at least, the people of the state appear to be accepting the crisis with calm and detachment and a remarkable degree of understanding of their country's position in a troubled age.

Don't Burn Trash When Neighbors Dry, Air Clothes

Editor, Post-Crescent:

Now that we have an ordinance requiring covers for trash burners (I haven't seen any in use in our neighborhood), I think we could use additional regulations concerning trash burning.

Most of these last two weeks we have been annoyed with a neighbor burning branches trimmed from shrubbery. This type of material smolders for a long time when burned, and has an unpleasant odor that clings to washings hung out and to woollens hung out to air.

Since we have pick-up for this type of trash, there really is no need to burn it outdoors, so why can't we have an ordinance prohibiting burning it? Or perhaps we could allow burning on only certain days (maybe Tuesday, Thursday and Saturday). Then those of us who don't own dryers and those who like to hang things out to air could feel confident that our neighbors wouldn't light fires under our washlines as soon as our backs are turned.

Methodist Unit to Raise \$1,500

79 YEARS AGO

Quoted from the Appleton Crescent for the week of July 26, 1879.

The energetic Ladies of the Methodist Church in this city have undertaken to raise through their Aid society the large sum of \$1,500 for the purpose of furnishing and fitting the interior of the new church edifice which is rapidly approaching completion.

For this purpose they had the steamer excursion to Island Park and Oshkosh on Wednesday last. The excursion was largely attended and was the source of much enjoyment.

The ladies should be encouraged in their endeavors to secure the amount for a good cause.

25 YEARS AGO

Wednesday, July 19, 1933

Tuesday's vote brought the number of states on record for repeal of the prohibition amendment to 18, with prohibitionists yet to score their first victory.

The care of the needy in Appleton cost \$9,730 during June. There were 810 resident families, including 2,102 individuals on the relief list.

Mary Pickford was starred in the movie, "Secrets," with Leslie Howard at the Rio theater; "Maedchen in Uniform," a German film of note was at the Appleton; and Nancy Carroll had the

leading role in "Child of Manhattan" at the Elite theater.

Average farm wages in Wisconsin were below the previous year. The prevailing wage, with board, as of July 1 was 17.50 per month as compared to \$20.50 in 1932.

10 YEARS AGO

Wednesday, July 21, 1948

A diplomatic note protesting Russia's blockade of Berlin had been drafted and sent to Washington for review by top-ranking state department officials.

Joan Leddy, Kaukauna, centennial queen of Outagamie county, left for Hollywood. She won the trip for being elected queen during the Kaukauna centennial activities.

Instead of three draft boards, Outagamie county was to have only one with headquarters in Appleton, under the new law which was to go into effect Aug. 30. Registration of men between the ages of 18 and 25 inclusive was to start on a staggered basis Aug. 30.

Several Boy Scouts from the Fox Cities area were inducted into the Order of the Arrow at Gardner Dam. They were: Dennis Waymire, Appleton; Robert Philpott, Kimberly; William Phalen, David Zwick, Kaukauna; John Schierl and William Gresenz, Menasha.

Mr. and Mrs. Michael Winter left Appleton that morning on the first part of their trip to Germany. They were to sail from New York City the following Monday.

Final analysis of Bernard Goldfine's testimony before House probers: He was impudent, but the committee needed him.

Marines say Gen. Eisenhower is a man of his word. In 1952 he promised a crusade—and now half the marine corps wind up in the Holy Land.

One Democrat switched tactics after Lebanon. After five years of demanding that Ike make a decision, he now demands that Ike never make another one.

Bernard Goldfine leaves Washington after spending \$14,000 to quarter his staff. Urgent cry from Washington board of trade: "Goldfine, don't go home!"

Cub Scouts to Build Small Racing Cars

Miniature Models To be Used at September Meeting

Little Chute — Special project of Cub Scouts of Pack 51 will be the making of miniature race cars and a contest will be held at the September meeting.

Fathers of the scouts will assist with the building of the cars.

Plans also were announced for a father-son camp-out at Silver Lake. Members of the committee in charge will select a date for the outing and make other arrangements.

It was announced that after den meetings are regularly held this fall it will be necessary for scouts to keep regular attendance. If a scout misses five den meetings he will be dropped from the pack. Parents also will have a responsibility, if at least one of the parents misses three pack meetings the boy will be dropped.

Awards Made

Awards presented included the boy scout handbook to Joe Wildenberg and Paul Van Gompel, Lion book to Richard Huiting and Robert Merritt, bear book to James Stadler and Mark Mollen, bear silver arrow to Robert Merritt and lion gold arrow to Joe Wildenberg.

Wolf, bear and lion badges were given to Paul Van Gompel while bear badges were presented to Tom Van Deraa and Jim Van Dinter. Wolf gold arrows were awarded to Steve Driessen and Mark Mollen, wolf badges went to Jim Stadler, Joe Stadler and Charles Peeters while bear badges were given to Gary Van Lankvelt and Dan Lamers.

Gary Melby received the bear silver arrow and Bruce Romenesko was given the one year service star.

County Democrats Oppose Sales Tax; Reynolds Attacks Administration

Praise Proxmire, Reuss on Middle East Stand at Meeting Held in Kimberly

Kimberly — A resolution opposing a general state sales tax was adopted by the Outagamie county Democratic party at a meeting Tuesday night at the Kimberly clubhouse.

A second resolution that met with unanimous approval, commended Sen. William Proxmire and Congressman Henry Reuss of Milwaukee "for their protest at the failure of the Eisenhower administration to prevent the situation which led to the sending of troops to the Middle East."

Guest speaker John W. Reynolds, Green Bay, Democratic candidate for attorney general, praised the party for its stand on both issues. Reynolds, in his address attacked the "right to work" law and the recession.

State Resolution

The resolution opposing the sales tax contended "The general sales tax is an inequitable tax violating the principle of taxation, ability to pay and is therefore a wrong method of taxation.

The resolution was proposed

by John Dennigan of Little Chute.

Reynolds praised the merger of the AFL and CIO in the state as a "timely measure to fight the anti-labor 'right to work' law and the Eisenhower recession."

He said "A united labor movement will be a great force in the struggle for good government because it will more effectively encourage the laboring people of Wisconsin to participate in politics. The Democratic party and all citizens interested in good government congratulate the uniting of the labor movement in the vision of Samuel Gompers."

Answer to Slump

Concerning the recession Reynolds said, "A united labor movement will be an effective force in the fight on recession and economic hardship. The only real answer to the slump in the economy is to increase the purchasing power of the labor man."

Reynolds attacked the Eisenhower administration for "failing to inform the American public at what is going on. The landing of troops in Lebanon was a great shock," he said. Reynolds added that the "situation in the Middle East is a result of bungling by the administration."

Reynolds also praised the county party for its stand on the sales tax issue. "A sales tax is economically unsound. It is a tax on consumption and will cause unemployment."

A partial list of campaign committeemen was made by Mrs. Shirley Cherkasky, chairman. The list includes Dennigan, W. W. Smith, Mrs. Michael Lockery, Mrs. Louis Wise and Dr. Marvin Kagen all of Appleton; Sylvester Lenz of Kimberly and Kelly Lathrop of Medina.

Record Membership

The membership committee reported that there are 529 members at the present time.

This is the highest figure in the history of the county party.

William Evans, Milwaukee attorney and a candidate for secretary of state, was introduced.

Les Balliet was named the "Dollars for Democrats" chairman. This fund drive will be opened in September. It was announced there will be a bake sale at 9 o'clock Saturday morning at the Appleton Red Owl store.

It was decided to hold the next meeting at the Black Creek town hall.

City Honored For Pedestrian Safety Record

Kaukauna — The city received recognition Tuesday in a presentation of an American Automobile association award for excellence of pedestrian protection program.

The city was honored for having no pedestrian fatalities during 1957. The citation was presented to Mayor Joseph Bayoreg during ceremonies at the Kaukauna police station. Leonard H. Raab, district manager of AAA from Appleton, made the presentation.

Also present for the presentation were Harold V. Engerson, Kaukauna police chief, Earl Verbeten, traffic officer who assists in educating school children on pedestrian safety, and Gordon May, administrative assistant for the motor vehicle department.

Recovered Articles At Kimberly Station

Kimberly — Several articles recovered by police in the last month still have not been called for by owners at the police station.

A camera and other items found in a picnic bag at Sunset Point park have not been claimed. Police also have a boat which was pulled off the government dam. Owners can have these articles by proper identification.

Knicks Win to Hold Cage Lead

Results Reported From Two Leagues In City Competition

Kaukauna — The Knickerbockers continue to lead the Minor Basketball league, sponsored by the recreation department, after posting a 45 to 29 win over the Hawks and a 48 to 37 win over the Globetrotters.

The Hawks edged the Celtics 27 to 24 in the second game of the week to hold second with two wins and one loss, the Celtics downed the Globetrotters 24 to 22 to hold third with one win and two setbacks and the Globetrotters are last with no wins in three starts.

Leading scorers are Dick Skibba with 54 points, Jim Koepke with 37, Bill Jirikowicz with 27, Tom Ote and Keith Busse with 28 and Dan Schommer and Bill Nussbaum with 22.

Major League

Competition has started in the Southern Division of the Major league with Kentucky downing Indiana 49 to 38 in the first game and Ohio State defeating Dayton 58 to 46 in the second contest. Ed Vanden Heuvel is the leading scorer with 22 points.

Other leaders are Dan Voet with 18, Gary McGoe, Tom Whitman and Pete Landreman, all with 14 points. Results of the Northern division of the Major league have previously been listed.

Kaukauna Birth

Kaukauna — The Community hospital today announced the birth of a daughter to Dr. and Mrs. Daniel Dore, 316 W. Sixth street, Kaukauna.

Drum and Bugle Corps to Attend Legion Convention

Little Chute — The All-Girl Drum and Bugle corps will participate in the state American Legion convention at LaCrosse this weekend.

Saturday night the corps will compete in the drum and bugle corps contest and Sunday afternoon it will be in the annual parade.

The Jacob Coppus post is sponsoring the corps at the convention.

Chaperones for the group will include Mrs. Harry Van Nuland, Mrs. Clarence Bongers, Mrs. Tony Verkuilen and Mrs. George Weyenberg. Clair Peeters, corps director, also will attend.

Miss Carol Kortenhof, Kimberly, drum instructor for the corps in the past four years, has resigned her post.

Mrs. George Weyenberg has been named secretary of the Mothers club. She replaces Mrs. Robert Kobussen.

Twilight Loop At FVGC Enters Ninth Round

Kaukauna — Competition in the Twilight League for men at the Fox Valley Golf club will enter the ninth round Thursday evening with Better Brothers still holding the top spot with 366 points.

The leaders have held the position since the third week despite being upset last week by the eighth place team. Quella food still holds second place, 21 points behind the leaders. Geenen shopping has moved into third, five points behind the second place crew.

An evening meal will be served after the golfing and final plans outlined for the Saturday jamboree.

Marble Shooting Champions Crowned on City Play Areas

Kaukauna — Marble shooting champions were crowned at various supervised play areas Monday as recreation department play leaders held competition for youngsters in various age brackets.

Braves Win to Maintain Lead In Senior Loop

Ball League Play Limited Last Week By All Star Tilts

Kaukauna—The Braves continue to set the pace in the Senior baseball league, sponsored by the recreation department, with six straight wins. The Cubs hold second with a 3-3 record followed by Marsh and the White Sox each with two wins and five losses after last week's action.

Leading pitchers in the league are Ed Vanden Heuvel with five wins and no losses, Ron DeBroux with two wins and no losses and Bruce Bay and Dennis Ragen, each with one win and no defeat. Vanden Heuvel, Bay and Ed Keberlein lead the hitters with .500 averages followed by Jerry Vanden Heuvel with .458 and Dennis Friebe with .429.

Junior Baseball
No games were played in the Junior Softball league as All Star games were played. In the National division the All Stars downed the first half league champion Cardinals 10 to 4 and in the American division the league champion Yankees rolled to a 17 to 6 win over the All Stars.

The Braves and S and B are tied for first place in Junior Softball action, both with five wins and one loss. The Giants have three wins and three losses followed by the Phillies with three wins and four defeats. The Reds with two wins and four losses and the Dodgers with no wins in five starts.

Leading pitchers are Gary Weigman with four wins and no losses and Denny Hilgenberg with three wins and no defeats. Berge won two games to hold the lead in the Northern division of the Midget League with a record of six wins and four losses. Badger is in second with five and five followed by Haas and Piggy Wiggly, both with four wins and five defeats. In an All Star game, the All Stars pounded out a 22 to 16 win over Berge.

The Lions lead the Southern division with seven wins and three losses followed by Carstens with a 6-4 mark. VFV with a 5-4 rating and Martens with a 1-5 record. The All Stars defeated the Lions 16 to 8 in the final game of the first round.

PeeWee Loop
Ploetz continues to lead the Northern division of the PeeWee league with three wins and no losses after a 29 to 9 win over Farmers and Merchants. Papermakers are second with two wins and one loss followed by Farmers and Merchants with one win and two setbacks and Gustmans with no wins and three losses.

Three teams, Looks, Schouten and KMC, are tied for first in the Southern PeeWee league with records of two wins and one loss while Thilmany is last with no wins in three starts.

Fence busters for the week are John Robedeaux, Jim Rennebohm, Jim Wittman and John Roberts, all with two homers, and Tom Busse, John Martens, Ron Sampson, Phil Voight, Ron Borree, Mike Hooyman, John Vande Hey, Dave Keough, Jim Hoffman, Dave Egan, Tom Vande Hey, John Hoffman, John Pendleton, Dave Patterson, Harry Wheelock, Donovan Dain and Dennis Hoffman, each with one homer.

Top's Club Sets Member Drive

Kaukauna—Members of the recently organized Electric City TOPS club voted Monday night to make a concerted effort to increase membership.

The meeting was held at the home of Mrs. Bernadette Keidatz and special guest for the evening was Mrs. Marilyn Hendershot, former leader of the group who now lives in De Pere. A special award went to Mrs. Clarence DeBruin.

Women from Kaukauna or surrounding areas wishing to join the organization are asked to call Mrs. Bernadette Keidatz or Mrs. Clarence DeBruin for more details. The group meets each Monday evening at 8 o'clock. The next meeting will be held at the home of Mrs. Gerald Smith, 136 McKinley street, Kaukauna, with new or potential members invited to attend.

Plans were made for an Aug. 4 picnic at the Grignon home park with the luncheon to consist of special low calorie foods.

No Vacation From Reading, Library Circulation Shows

Kimberly—Summer vacation from school has not meant a vacation from reading for Kimberly and area youngsters, according to the circulation figures from the public library.

Circulation reached an all-time high in June when a total of 2,582 books were drawn out. This is 862 more books than were drawn out in 1957 for the same month.

A major increase in outside circulation has been one of the main reasons for the jump but

Speeders Fined At Little Chute

Little Chute—Two speeders appeared in justice court Monday and one forfeited bond at the police station. All were arrested Saturday on S. Madison street with the speed watch.

Appearing in court and pleading guilty were Elmer Blakeslee, 32, 505 Green street, Appleton and David Boeselager, 26, Hilbert. Each was fined \$10 and costs and three points were charged against their driving records.

John Van Toll, 52, 120 E. Kimberly avenue, Kimberly, forfeited a bond of \$15. Three points were charged against his record.

Kimberly Women to Attend WCOF Confab

Kimberly—Mrs. Paul Lochschmidt will attend the national Women's Catholic Order of Foresters convention in Detroit Aug. 4 through 8 on an all expense trip awarded her in a membership campaign.

Mrs. B. J. Ouellette, Kimberly chief ranger, was elected as a delegate at the state convention earlier this month.

local patrons also are on the increase. Mrs. B. J. Ouellette, currently head librarian is replacing Mrs. Joseph McCann who is recuperating after an accident.

Little Chute Increase

Over a three month period the library circulation to Little Chute, where there is no public library, has shown a phenomenal increase. In 1957 April saw 48 books go to Little Chute while this year there were 169 in that month. For May in 1957 there were 52 for Little Chute compared to 166 this year and June saw another huge increase with 60 last year compared to 249 this year.

Areas serviced by the library include Kimberly, Little Chute, Combined Locks, route 4, Appleton, route 3, Appleton, route 1, Kaukauna, and route 1, Menasha.

Other figures show the library added 85 new books in April, 28 in May and 17 in June. Magazine circulation also has been on the increase since the library initiated the policy of loaning the magazines out overnight.

Girls Softball Team to Meet Menasha Tonight

Kaukauna—The recreation department sponsored girls softball team will attempt to maintain its undefeated record at 6:30 tonight when it meets the Menasha recreation team on the library grounds.

The local team has won four straight in league action and has chalked up five wins against non-league opponents. Judy Jacobson is the likely starting hurler for Kaukauna, according to Elaine Warnecke, team manager.

Tennis Tourney For Girls Set In 3 Divisions

Kaukauna—The Kaukauna recreation department will sponsor a tennis tournament for girls in three divisions with registrations to be accepted until July 30.

Competition will be in singles only with trophies being awarded the first and second place winners in each division. Girls wishing to participate are asked to call Miss Elaine Warnecke, tournament director, between 4 and 5 o'clock in the afternoon.

The junior division will be for girls 11-years old and under while the intermediate division will be for girls from 12 through 15 and the senior division will be for those 16 and over.

Second, Third Place Teams Win in City Softball Loop

Kaukauna—Shamrock and Nagels each posted wins in the City Softball league Monday night to hold second and third place respectively.

Nagels rolled to a 14 to 9 win over Combined Locks paper for its twelfth win in 16 starts and Shamrock edged Arcade 10 to 9 for its eleventh win in 14 starts. Locks paper has won seven and lost seven while Arcade has eight wins and seven setbacks.

Nagels scored in every inning to defeat Combined Locks as it tallied one run in the first and second innings, two in the third, five in the fourth, three in the fifth and two in the sixth. The losers scored three in the first, one in the second, three in the fourth and two in the sixth. Fran Gerow hit two homers for the winners while Cal Armitage had a homer and two doubles in three trips. Rog Vander Wylt led the losers with three hits in four trips.

Father of 10 Says He Shot Deer for Food

A rural Black Creek father of 10, who Tuesday told Municipal Judge Oscar J. Schmieghe he shot a deer to feed his family, was placed on probation for a year on two game law violations.

John Anderson, 44, route 1, Black Creek, admitted killing a deer and having an untaged deer. Anderson's attorney said his client did it because the Anderson family was destitute. Judge Schmieghe said Johnson was, in effect, pleading "the law of survival."

Kinsey Flagsted, a county welfare department worker, testified that the family was in needy circumstances. He said one of Anderson's sons had recently received a foot injury, had been in the hospital and had to wear a special foot brace. The brace was provided through a private charity, Flagsted said. The family is not on the county welfare rolls, he added.

Johnson was arrested by Conservation Warden Charles Wransky July 10 in the town of Ciro.

Appleton Girl Heads Students Protesting Action in Middle East

Miss Helen Heise, an Appleton graduate student at the University of Texas, headed a group of university students who circulated a petition protesting U.S. sending of troops to Lebanon. The group disbanded earlier this week after getting too few signatures, she said.

Miss Heise said the protest, signed by 115 students, will be sent to President Eisenhower. She indicated prominent senators might receive copies. Miss Heise is the daughter of Mrs. Karl Heise, 1210 W. Summer street.

Report Money Taken From Workers' Locker At Lawrence College

About \$40 was taken from the clothes of two Lawrence college employees sometime Monday, Jack Manwell, superintendent of buildings, told police Tuesday.

The money was taken from a locker in a room next to the boiler room, Manwell said. The men noticed the money was missing after they had finished work for the day and had changed clothes and started home.

Police said there was no lock on the locker.

YMCA Young Adults Set Baseball Game, Outing For Weekend Program

Members of the young adults group at the YMCA will attend a Milwaukee Braves game Saturday and have an outing Sunday at Waupaca Chain O' Lakes.

The group will leave Saturday morning for Milwaukee and tour the new Central YMCA before the game. Sunday's program includes swimming and canoeing.

Sheboygan Band To Give Concert Tuesday Night

The Wuerl Concert band, Sheboygan, will play its third annual exchange concert at 7:45 Tuesday night in Pierce park.

The Appleton band will play in Sheboygan Aug. 20.

Under the direction of Rodney Bigson, the Wuerl band has been the first place winner in concert band competition at

Appleton Post-Crescent 11
Wednesday, July 23, 1958

the state music festival for the last few years.

Tuesday's program will include the numbers written especially for the band.

Calumet County Road Work Contract Signed

Madison—Gov. Thomson today signed a \$54,166 contract with Calumet county for grading and base course work on County Trunk JJ east of Potter.

Stops Constipation Due to "Aging Colon"

New laxative discovery re-creates 3 essentials for normal regularity.

As you grow older, the internal muscles of your colon wall also age, lose the strength that propels waste from the body. Stagnant bowel contents become so dry and shrunken that they fail to stimulate the urge to purge. Relief, doctors say, lies in a new laxative principle. Old-style bulks and moisteners may treat gas, take 3 or 4 days for relief. Old-style salts and drugs cramp and gripe the entire system. Of all laxatives, only new COLONOID gives you its special 3-way relief that works only on the lower colon (area of constipation).

(1) COLONOID moisturizes dry, hardened waste for easy passage without pain or strain. (2) COLONOID's unequalled rebuilding action helps restore flabby colon muscles. (3) And COLONOID acts gently, on the nerve reflexes that stimulate the vital "mass movement" of your lower colon. COLONOID relieves even chronic constipation overnight; it is so gentle it was hospital proved safe even for women in critical stages of pregnancy. And COLONOID won't interfere with absorption of vitamins or other food nutrients. Get COLONOID today!

Revised Code

Two Upcoming Films Called Racist Yet

BY JINGO

Sometime back, Jingo, among others, reported the dismemberment of the Hollywood censorship code. The surgery involved slashing a taboo here, revising one there.

If you didn't get the idea then, you've at least had some flash of what it all means in the efforts in Appleton to ban "Baby Doll" and that Brigitte Bardot burlesque thing.

But, friends, you haven't seen anything yet—at least that's what Jingo's Hollywood friends claim.

The worst to come, they say, will be in "Cat on a Hot Tin Roof" and "The Naked and the Dead." One's a remake of the Broadway smash; the other's the film version of a best-seller.

Here's what one veteran Hollywood columnist has to say about the two pictures, both recently previewed on the coast: "The racist stuff I've ever heard on a soundtrack. . . I don't know how the public will receive all this smut from two of our

major studios; personally, I think we're headed right back to the same stiff code we had, if not stiffer."

Jingo'll take bets that censorship of the industry by the industry never comes back as it was. It's a matter of money, friends. The legitimate stage, when it lost its audience to movies, partially turned to sensationalism. Movies, now having lost audience to television, is doing the same thing.

Jingo's Jewels: "World of Giants," a filmed fantasy series, will begin on CBS-TV Oct. 1. The voice of Brigitte Bardot in the advertisements for her movie "La Parisienne" was dubbed in by Julie Bennett, a movie starlet. . . Ralph Edwards wants to move "Truth or Consequences" to a daytime spot on ABC-TV. . . Move over Yukon King, Hollywood is getting ready to turn the spotlight on your part of the country. Jingo, who's been there, can't imagine why. . . Buddy Lester, who devised the first successful late night TV show, plays a bloodthirsty cat in an upcoming "Playhouse of Stars" story.

They may have signed another to play the part, but Warner Brothers finally have settled with Clint Walker and he'll be back in the fall as

Host Tries to Aid Jail-Bound Guests, Asked to Join Them
 Cushing — When Ulysses Tippet learned three of his weekend guests were arrested for public intoxication after leaving his home, he felt he had to be the perfect host and got enough money to post bond. When he appeared at police headquarters, police asked him to join his friends. He was charged with public intoxication.

ies, more cheap panel and audience participation trips and more plugs for upcoming doodads instead of commercials.

WARNING! Five Swindles to Watch Out for
 "Just sign here. . ." The recession has sprouted a new crop of swindlers. Every day thousands of people fall for them. In August Reader's Digest, Don Wharton reveals the tricks behind the most common schemes. . . how they work. . . what to do to combat them.

Taxes to Pay
Half of Budget
At Bear Creek

School District Okays
\$88,397 for Expenses;
Income Totals \$45,144

Bear Creek — Nearly half of the operating budget approved for the Bear Creek Joint School District No. 5 will be raised in taxes this year.

The district approved a budget of \$88,397. The tax levy amounts to \$43,253.

The biggest amount in the budget is \$41,500 for teachers' salaries. The district has \$15,000 in short term loans to repay and \$572.88 in outstanding vouchers.

The district expects to receive \$45,144 in receipts other than taxes in the coming year. Of this \$23,000 will be in state aids and a \$10,000 loan will be floated. The district ended the past year with \$7,334 in cash on hand.

Elect New Clerk

Robert Neely was elected school board clerk to succeed Robert Russ, who resigned. Neely will serve the remaining two years of Russ' term.

Edward Flanagan was elected to succeed Paul Down as treasurer and Herbert Poppe and Lyle Wendt were reelected to the board.

The district appropriated \$5,000 to remodel the school building into two classrooms. Free textbooks will again be provided to grade school pupils and will again be available to high school pupils on a \$3 a year rental basis.

Mileage allowance of 7 cents a mile was approved for members of the school board. The salaries were not changed.

The district approved a resolution introduced by State Sen. Gerald Lorge providing for a quit claim deed on school property to the city for land to be used for Hyde, James and Park Court streets.

Chilton Band To Present Concert Thursday

Chilton — The fourth in a series of summer concerts will be presented by the Chilton city band at 8 o'clock Thursday evening, at the county fairgrounds.

Under the direction of Marvin W. Hoffmann, the band will present "Invincible Fidelity," a march; "Stars and Stripes Forever," a march; "El Capito," a Spanish number; "Pacific Waves" overture; "A Waltz Dream" waltz; and "Around the World." Also included on the program will be several old-time and novelty numbers. Roland E. Miller will act as master of ceremonies.

More than 30 merchants are again co-operating in a "back the band" promotion.

A comic German band will be featured after the regular program.

Plan Overhaul Of Castle in Mexico City

Mexico City — The famed old castle perched on a hill in the center of Chapultepec park

is to get the most intensive overhaul since Emperor Maximilian rebuilt it almost a century ago.

Officials of the Museum of National History said its form and shape will not be changed, but the castle will be thoroughly renovated and improved.

"It will be returned to its ancient splendor," said one expert.

Also, it will be modernized with adequate electric lights, water, and sanitary facilities for the thousands who visit it weekly.

Chapultepec castle is on a site once used by Aztec emperors. It is in the heart of

Appleton Post-Crescent 16 Wednesday, July 23, 1958

the capital, surrounded by a park.

When Maximilian was overthrown shortly after the U.S. Civil war, the castle was taken over by the government. For a time it served as a home of Mexican presidents.

Pay Fines, Forfeit Bonds

25 Haled Into Court On Traffic Violations

Twenty-five drivers were fined or forfeited bonds on traffic law violations Tuesday in municipal court.

Charged with speeding and assessed three points were:

John P. McMorow, 21, 428 Wisconsin avenue, Kaukauna, fined \$15.

Charles E. Dent, 40, route 2, Rhinelander, forfeited \$13.95.

Daniel J. Philipson, 22, 403 E. First street, Kimberly, \$15.

Barry E. Rohan, 21, 917 Eden avenue, Kaukauna, \$10.

Jerry H. Jahne, 28, 218 E. Winnebago street, \$10.

Lawrence A. Handel, 18, 1619 N. Gillett street, driver's li-

cense revoked for 30 days and court costs of \$3.95.

Fined \$10 for no current registration were:

Otto A. Goettel, 20, route 2, Black Creek.

Donald J. Halle, 41, 620 E. Winneconne avenue, Neenah.

Arthur N. Gilnlecki, 37, route 2, Shiocton, forfeited \$13.95 for the same charge.

James F. Hankwitz, 27, 1107 E. Marquette street, was fined \$5 each for failing to transfer a title, no registration and no driver's license, a total of \$15.

Illegal Passing

Charged with passing over the yellow line and assessed four points were:

Norbert G. Brasser, 30, Sheboygan Falls, forfeited \$50.95.

Allen J. Eisold, 19, Milwaukee, forfeited \$23.95.

Charles H. Shannon, 25, Chicago, fined \$10.

Stanley R. Przybicki, 38, Chicago, \$10.

Driving on the wrong side of the road cost Merrill F. Rusch, 29, route 2, Appleton, \$10 and three points.

Other Cases

Other cases were:

Roger J. Krueger, 30, 1011 N. Badger avenue, no valid driver's license, fined \$10, four points.

Sidney O. Coss, 35, Wauke-

sha, driving too fast for conditions, forfeited \$28.95, four points.

J. O. Johnson, 27, Box 963, Appleton, overlength truck load, \$50.

Elmer F. Meyer, 22, Chicago, driving too fast for conditions, \$10, four points.

Ignoring stop signs resulted in three points and \$10 fines each to Oren E. Hays, 25, Little Rock, Ark., Frederick H. Techlin, 19, route 4, Appleton, and a \$15 fine for Gerald J. Cooper, 18, 739 W. Eighth street.

Celia A. Whitman, 827 W. Oklahoma street, allowing an unauthorized person to drive, fined \$10.

Carol A. Brehmer, 408 E. Wisconsin avenue, fined \$10, four points.

Bernadine A. Jochman, 1126 W. Packard street, no drivers' license, fined \$25, and no registration, fined \$10.

Deny Charges

Denying charges were:

Donald J. Goodman, 24, route 2, Appleton, no public service commission permit, posted \$13.95 bond for trial Aug. 22.

James M. McKeever, 16, route 1, Hortonville, reckless driving, posted \$53.95 bond for trial Sept. 22.

A charge of failure to display license plates against William H. McMichael, 33, 133 E. Factory street, Seymour, was dismissed.

Japanese to Judaism

Conversions Not Large, Says Jewish Leader

New York — Reports of large-scale conversions of Japanese to Judaism are exaggerated and unfounded, says Gustav Stern, a Jewish communal leader, just returned from a visit to Japan. He said there is a small group of Japanese intellectuals who are intensely interested in Judaism and Israel.

Greyhound Line Sets New Local Routes

Madison — Greyhound bus routes to Appleton are among those affected in corporation action discontinuing and consolidating routes because of a \$1,765,000 loss in operation in the first four months of 1958.

The corporation made the report to the Wisconsin Public Service commission Tuesday of the loss before income tax carry-back credit.

One new trip would be between Appleton and Madison by way of Highways 41, 28 and 151, according to Quinn W. Murphy, Minneapolis, schedule analyst for the Central Greyhound Lines division which operates Wisconsin routes.

This bus would leave Appleton at 6 p.m. Sunday night only. It would replace runs now being made on Saturday and Monday only between the two points. It is primarily for students, Murphy said.

Another new run would leave Madison at 5:30 p.m. Friday and go to Green Bay by way of Beaver Dam, Waupun and Appleton. This would replace a Friday and Sunday run that leaves Madison now at 5:40 p.m. for Green Bay.

A Monday and Saturday run between Appleton and Milwaukee that leaves Appleton at 7 a.m. by way of Highway 41, would be replaced by a daily run between those cities, leaving Appleton at 7:30 a.m.

Worry of FALSE TEETH Slipping or Irritating?

Don't be embarrassed by loose false teeth slipping, dropping or wobbling when you eat, talk or laugh. Just sprinkle a little FASTEETH on your plates. This pleasant powder gives a remarkable sense of added comfort and security by holding plates more firmly. No gummy, gooey, sticky taste or feeling. It's alkaline (non-acid). Get FASTEETH at any drug counter.

Fashions Designed for Their Age group, as modeled by their contemporaries, were shown to area sub-teens at a "Pink Tea" Tuesday afternoon at the Conway hotel. Among models parading back-to-school and fall costumes were Lynn Hartjes, 13-years-old, left, and Betty Baumann, 13-years-old, whose outfits won the interest of Darice Manteuffel, 12-years-old, Lynn Blank, 12-years-old, and Sharon Gregorious, 10-years-old, center to right. All are Appleton residents.

Fashion-Conscious Young Misses View Fall Parade

Fashion-conscious young misses were introduced to styles designed for their age group, as modeled by their contemporaries, at a "Pink Tea" Tuesday afternoon at the Conway hotel.

It was a dress-up occasion for all attending and the outfits chosen by the guests for the tea, which had been designated "off-limits" to adults, were as stylish as the newest in fall and back-to-school costumes appearing in the parade.

Some girls chose versions of the slim-line chemise, while others appeared in the fullest of bouffant party dresses, puffed by a fluff of crinoline petticoat. Some party-goers walked gingerly on their first "heels."

Tell Winners at Card Events

The Mimes, James DeShaney, Robert Fahrenkrug, and Ted Vanderputten were the winners at cards when Lucky Seven club met Tuesday night at the home of Mrs. Frank Sonleitner, 727 E. Maple street.

The club will next meet with Mrs. Al Fahrenkrug, 1613 S. Lawe street, on Aug. 5.

Members of Happy Eight club met with Mrs. Ewald Semrow, 2023 N. Oneida street, Tuesday night. Card winners were the Mimes, Arnold Schnell, Bertha Maass and Irwin Mueller.

Mrs. Mueller will hold the next club Aug. 5 at her home, 825 W. Glendale avenue.

Newlyweds Reside at Charlesburg

Charlesburg is the home of Kenneth Pingel and his bride, the former Carol Eldred, daughter of Mr. and Mrs. N. A. Eldred, route 4, Chilton.

The newlyweds honeymooned in New York City prior to making their home at Charlesburg. The bridegroom is employed in the office of Vogels Construction company, New Holstein.

Mr. Pingel, the son of Mr. and Mrs. Otto Pingel, route 1, New Holstein, claimed his bride in 9:30 rites July 12, at St. Mary Catholic church, Chilton. The Rev. Joseph Bartelme read the nuptial mass.

Prior to her wedding, the bride was employed at Appleton Woolen Mills.

Royal Neighbors To Plan Picnic

Royal Neighbors will hold a regular meeting at 2 o'clock Thursday afternoon at the Catholic club. Plans will be made for an August picnic. A social hour will close the meeting.

The "Pink Tea" theme was carried out by raspberry sherbet punch served party-guests along with small cookies. Chatting over their punch cups was a trio of 10-year-olds, from left, Jean Langlois, Joyce Wright and Betty Gilling, all of Appleton. The youngest "sub-teen" attending, center photo, was Kathy Freund, 4-years-old, who snuggled in the arms of her father, Louis Freund, Appleton, as she enjoyed her punch. They were accompanied by Mrs. Freund to see another daughter, Lynn, model in the parade. Below, the newest in fall coats was shown by Barbara Gaulke, Appleton.

Remove Clothing Stains Quickly for Best Results

Your casual clothes take special care to keep them looking their best, says Lenore Landry, clothing specialist at the University of Wisconsin. The trend toward outdoor living, working and playing means that your casual clothes are more likely to receive a variety of stains. Some of the new fiber blends and finishes make stain removal more of a problem than ever. When a garment becomes stained for spotted the most important step is to act fast and treat the stain while it is still fresh, Miss Landry says. You need to know what the stain is and what kind of fabric

such as carbon tetrachloride. With any fluid work quickly in a well-aired room away from sparks or flames. Dry the garment as soon as possible to help prevent a ringed mark on the fabric.

Events Set By Badger School Club

The Parent-Teacher association of the Badger school, Appleton, attended the Attic theater's production of "The Solid Gold Cadillac" on Monday evening.

Officers of the Parent-Teachers association are president, Mrs. Robert Bellin, Justin street; vice president, Mr. John Freude, program planning director of the parent-teacher organization.

The Monday evening party was the second in a series of four events planned for all members of the Badger school, during the school year, and community.

The next scheduled event will be a roller skating party on Aug. 2, and will be called "half-a-party". The other half will consist of small group bar-b-ques, pizza parties and swimming parties.

The final summer get-together for the group will be held in mid-August at the home of Mr. and Mrs. James Kimball, 510 Timmers lane. A corn roast will be the main event of the evening.

Officers of the Parent-Teachers association are president, Mrs. Robert Bellin, Justin street; vice president, Mr. John Freude, program planning director of the parent-teacher organization.

Hurt Arises From Mate's Bad Remark

BY EMILY POST

Dear Mrs. Post: The other evening while at a gathering at a friend's house, my husband made a derogatory remark about a certain race of people not knowing that one of the women guests present was of this race. I had met this woman once before and knew that she was of this particular race, but my husband did not. I was so embarrassed I could have fallen through the floor. I am sure her feelings were terribly hurt, and rightly so. Will you please tell me if there is anything I can, or should do, to make amends?

Answer: Anything you try to do now that the remark has been made will add to the embarrassment and can do little good. You may, however, point out to your husband the harm that a carelessly made remark can cause, and ask him to please be more careful in the future.

On Introductions Dear Mrs. Post: My daughter (who was a widow) has recently remarried. I would like to know how she should introduce her first husband's mother with whom she has remained friendly, to the friends of her present husband. (Her present husband's mother is living.) My daughter has been introducing her as "My mother-in-law — Mrs. Blank" which I think is incorrect. Will you please tell us what is proper in this situation?

Answer: She would introduce her as "Mrs. Blank" and if necessary, add, "My first husband's mother."

Candles In Summer Dear Mrs. Post: At this time of the year when it does not get dark until rather late in the evening, is it proper to use lighted candles on the dinner table even though it is still daylight?

Answer: Lighted candles are never incorrect on a dinner table, although in midsummer their light is useless and only adds to the heat and therefore many people do not light them.

Eileen Daun, Bride of Lawrence Birschbach

St. Mary Catholic church, Chilton, was the scene of the wedding ceremony uniting Miss Eileen Daun and Lawrence Birschbach. They repeated wedding vows in a 9 o'clock service this morning before the Rev. Joseph Bartleme.

The daughter of Mr. and Mrs. Sylvester Daun, route 1, Chilton, was given in marriage by her father. Mr. Birschbach is the son of Mr. and Mrs. Nick Birschbach, route 1, Mt. Calvary.

Miss Daun chose as her matron of honor her aunt, Mrs. Ervin Heimerman, Malone. Miss Betty Biese and Miss Mary Jane Wagner, both of New Holstein, and Mrs. Norman Lohr, Dotyville, sister of the bridegroom, were bridesmaids.

Brother of the bridegroom, Ray Hilt, Lomira, attended Mr.

Robert Kools Weds Minnesota Girl

Miss Marlene Ann Hartl became the bride of Robert Michael Kools in a double ring ceremony on July 5. The 11 o'clock morning nuptial mass at Our Lady of Victory Catholic church, Fergus Falls, Minn., was officiated at by the Rev. Joseph Kools, Kimberly, an uncle of the bridegroom.

Parents of the couple are Mr. and Mrs. Albert V. Hartl, Fergus Falls, and Mr. and Mrs. Gus Kools, 3701 W. Spencer street.

Sister Mary Theophane, OSF, provided the nuptial music, and the senior choir of the parish sang the high mass.

Mass servers were Timothy Skogmo, Cordell King, and Martin and Thomas Scully, all of Fergus Falls.

Proceeding the bride and her father down the aisle was Miss Clauden Hartl, Fergus Falls, who was maid of honor for her sister, Miss Kathryn Kools, Appleton, twin sister of Mr. Kools.

Best man for his brother was John Kools, Kimberly. Groomsmen were Rea O'Brien, New York, Glen Chita, St. Paul, Minn., and Richard Sternhagen, Appleton. Albert Vincent Hartl, Jr., Fergus Falls, brother of the bride, was ringbearer.

A dinner fete the young couple this noon and a supper and dance, all at Gebhardt's hall, Charlesburg, will honor the newlyweds this evening. They will be at home at route 1, Mt. Calvary.

The bride, graduate of St. Mary Catholic school, Chilton, was employed at Leverenz Shoe company, New Holstein. Her husband graduated from Holy Cross Catholic school, Mt. Calvary, and is engaged in farming.

Your Problems

Gorgeous Male Animal May Add Bay-Window in Future Years

By ANN LANDERS

DEAR ANN: I'm a girl who reached her 21st birthday. I am engaged to a fellow 25. I've gone with this gorgeous male animal off and on for two years. My parents never liked him and did everything under the sun to break us up. A year ago they told me Ann Landers they'd give their consent to our marriage if I waited until my 21st birthday and still felt the same way.

Frankly, now that they've quit yelling at me I don't know how I feel. This fellow was married before (shotgun) and he still carries a picture in his wallet of his ex-wife and their little boy. I've asked him a million times to get rid of that picture but he still carries it. He owes \$2,500 that I'd have to help him repay. This means part of my salary would be gone from the day I married him.

He's terrifically handsome (a real lady-killer) and has a darling personality. Do you think we could have a future together if we both worked at it? — IN-THE-MID

I do not. You don't love this guy. You're just one of the ladies who has been "killed" by his looks. Nowhere in your letter do you mention even one of the meaningful qualities that make for a solid marriage.

How will you feel about this "gorgeous male animal" when his hair is gone and a bay-window is added? Think about these possibilities, Sister, because it happens to the best of 'em.

DEAR ANN: I'm a high school junior, age 17 and have the same problem that most kids in this town have. There is absolutely nothing to do but go to a movie or park and neck. When you look at the postmark on this envelope you will see that I come from a rather small town. I'll bet plenty of girls from here have writ-

ten to you because a lot of them have been in serious trouble.

The boys in this town have had a lot of trouble with the law, too, because they are bored and get into mischief. If you could suggest something we would all be grateful. Thank you. — P.R.

Are the parents all dead in your town or just blind, deaf and dumb? If you can't jar your mothers and dads into action, form a committee and go to the mayor, the school principal, the head of an organization or a clergyman.

You kids need an outlet for your energies — something constructive and fun. You could have dancing classes, drama groups, bowling leagues, baseball teams,

Tell Betrothal Of Daughter to Daniel Coffey

Mr. and Mrs. Frank Krieglstein, 926 W. Lawrence street, have announced the engagement of their daughter, Barbara,

Barbara Krieglstein (Pechman Photo)

to Daniel Coffey. Mr. Coffey is the son of Mr. and Mrs. Joseph Coffey, 1623 N. Erb street.

Miss Krieglstein is employed at the Wisconsin Telephone company. Both young people are graduates of Appleton High school.

Her fiancé will be a sophomore at the University of Wisconsin where he is majoring in civil engineering. He is affiliated with Phi Eta Sigma, national scholastic honorary fraternity. During the summer he is employed by the Outagamie County Highway department. No wedding date has been set.

ping-pong tournaments, roller-skating parties — there's no limit to the activities. What you need is someone to spearhead the drive.

If they tell you a Youth Center costs money, tell them juvenile delinquency costs money, too. Maybe one of the churches will let you have some meeting rooms. At any rate, there are the suggestions — now go to work.

DEAR ANN: We've been married 10 years and my husband's mother has taken our summer vacation with us every single year.

Our children are 7 and 8 and this summer I would just love for the four of us to go away together without the fifth wheel. Every year about this time she starts with "I may not be here next year you know." It turns me up.

She has five other children but they never take her along on their vacation. My husband always says it's up to me whether or not she goes — putting it right in my lap. How can I say no when she is all packed? Can you help me? — N. C.

Doggone those apron strings. Looks as if your husband is tangled up but good. This year put it back in his lap. Tell him you want a vacation without his mother and it's up to him to break the news. Suggest he hold a family pow-wow with the other five and let them decide which one will take Mama along this year. He should tell his brothers and sisters that "Next year mother might not be here — etc., etc."

Blind Hole Special Event For Junior Golf

Blind hole was the special event when junior golfers of Butte des Morts Golf club gathered Tuesday morning with their young friends for a guest-day program at the club.

Awards went to Tom Trettin, member, and Ginny Freschl, guest, for 3-hole; Bill Timmers and Libby Francis, members, and Mary McKenny and William Busch, guests, for 5-hole; and Timmy Ward, Sharon Martinek, Jim Trettin, and Barbara Abel, members, and John Taylor and John Page, guests, for 9-hole.

Mrs. Raymond LeVeé was chairman of the mothers' committee, including the Mmes. D. C. Kasten, E. W. Bassett, Raymond Max and Ted O'Keefe.

Japanese Actress-Singer Miyoshi Umeki, 29, winner of an Academy Award Oscar last March, and television executive Frederick Opie, 34, will marry today at Van Nuys, near Hollywood. It will be his second marriage and her first. She won her Oscar for her role in "Sayonara," in which she was the bride of an American soldier. (AP Wirephoto)

Prenuptial Parties Fete Bride-Elect

Bride-elect, Miss Mary Lou Hopfensperger, daughter of Mr. and Mrs. Clarence Hopfensperger, 218 S. Story street, has been guest of honor at a num-

ber of bridal showers. She will be married to Joseph D. Laux, son of Mr. and Mrs. Gordon Laux, 1740 N. Appleton street, at St. Mary Catholic church on Saturday.

A linen shower was given for Miss Hopfensperger on June 26 at the home of Mrs. John Driessen, 620 S. Fairview street, with 24 guests attending.

Cards were played and prizes were won by the Mmes. Joseph J. Engel, Gordon Laux, Richard Ver Baten, William Burton and Frank Koller.

The Gordon Laux home was the site of a miscellaneous shower held on July 10. Hostesses were the Mmes. Randolph, Patrick and David Laux.

Sixteen guests participated in party games, and prizes were won by Miss Hopfensperger, Miss Mary Laux, and the Mmes. John Driessen, Clarence Hopfensperger and Sylvia Laux.

College roommates of the bride-elect, who attended Wisconsin State college, Oshkosh, feted her at a personal shower on July 15. Hostesses were Miss Mary Sue Klein and Miss Carol Kroll who held the party at the Klein home, 1516 W. Franklin street.

Among the 16 guests present, Miss Barbara Lamers and Miss Marion Mauthe won the party game prizes.

Last Wednesday a prenuptial shower was given by Miss Hopfensperger's grandmother, Mrs. Joseph Hopfensperger, her aunt, Mrs. Edward Hopfensperger, and Mrs. Leo Driessen. Driessen. Thirty-four guests attended the party given at the Catholic club.

Cards were played and prizes won by the Mmes. Joseph Williams, Agnes Hurley and Gordon Laux.

A 7 o'clock dinner Sunday evening at the bride's home was given by her parents for the bridal party. Twelve guests were present.

Our Children

Visit to Parents Doesn't Mean House Guest Habits Left Home

By ANGELO PATRI

"We're going to my mother's with the children for our vacation. They get such a kick out of the farm; riding on the tractor, getting in the eggs and I have a wonderful rest. They're out of doors most of the day and I just take them off my mind."

That is really wonderful for any mother. But how about the elder mother? Is she enjoying the visit or is she suffering silently under what to her is an imposition? Daughters and sons should think about that when they plan to spend a couple of weeks or a whole summer with the "old folks."

Some grandparents are delighted to have their sons or daughters and their children for a summer visit. Some even invite the children to come for the summer without their par-

ents. But there are some to whom the second family, or the children alone, are a burden. They feel they cannot receive the visit, but they dread it.

Maybe they feel unable to cope with the children who have been reared differently than were theirs. Sometimes they are physically weary and long for the peace and quiet of their accustomed ways. In any case, their consent must be asked before announcing such a visit when no invitation has been offered.

Welcome Some Children One grandmother said, "I have two married children, a son and a daughter and when school closes they look homeward. My daughter's children

are like my own because I see them more often. They know me and my way with them, and they give me no trouble. Besides, my daughter takes care of them and does not leave a ter-in-law does. I'm glad to have my daughter's children come, even without their mother but not the others. So there are hard feelings between them and it boils over every summer. You can see where I am in the middle. I can't take both sets of children at the same time; I can't manage the second set since their mother does not help. But she is likely to arrive without so much as a word and my house is completely upset and so am I."

There is as much need of good manners in family relationships as in any other social situation. It is bad manners to visit people without an invitation or if on intimate terms without announcing the imminent arrival. Parents are people, too, and their home is as sacred to them as are the home of their friends or their children.

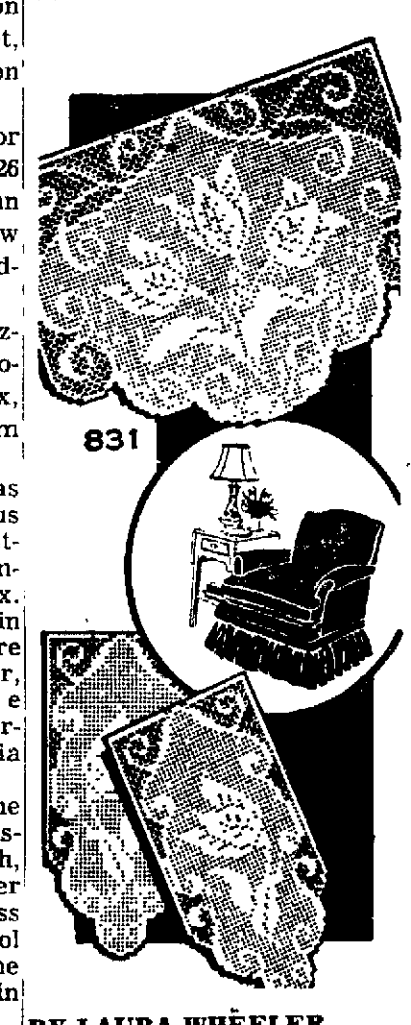

When an invitation is offered and accepted the responsibility of the guests begins. They must behave as guests and be helpful, thoughtful and understanding. Grandparents raised on family. They might be tired!

Mercury Hits Low 80s in Fox Cities

Temperatures in Wisconsin and the Fox Cities inched into the 80s this morning as a warming trend spread over the upper portions of the nation.

The mercury was at 81 at 11 o'clock this morning — one degree below Tuesday's maximum reading. The overnight low was 61.

Return to seasonal weather is the cue for shower activity and forecasters indicate sections of the state are in for rain. Thunderstorms are expected in the northwest and extreme north tonight and overspreading the state Thursday.

According to the Associated Press, maximum readings Tuesday were in the 80s and upper 70s, topped by Madison's 86.

Today's early temperatures

were a little higher than those recorded early Tuesday. Most lows were in the 50s and low 60s.

Skies were sunny throughout Wisconsin at mid-morning today.

Presidio, Texas, turned the high mark for the country Tuesday — 110 degrees. Fraser, Colo., hit a sub-freezing 27 early today.

Carelessness May Cause Perilous Child Poisoning

By Joseph G. Molner, M. D.

Thousands of people poison children every year. Not deliberately, of course, but they do it all the same.

Some figures have come to my desk on the number of calls received by the Poison Control center which my colleagues and I established. It

was one of the early centers of its kind, but it is far from being the only one. Regularly I hear of some other city establishing one — a center which specializes in knowing about poisons and can give up-to-the-minute advice on the best way of handling whatever type is involved in a case.

In a year there were 1,170 calls to our center alone; we know that other cities likewise are receiving hundreds of calls. We can conjecture safely that almost any type, flammable or not, odds and ends of medicine, lacquer, shellac (which is largely alcohol) and insect sprays. Remember also that DDT and some of the other things mentioned are cumulative, and repeated doses can add up to poisoning.

The terrible thing is that 95

per cent of all these poisonings that we hear about at the center concerns children under five years old. That is the dangerous age — from five down to whatever age a child is able to crawl and reach. And some body poisoned these youngsters by leaving poisons where the child could reach them.

Among the common poisons — trouble is, we don't always think of them as poisons — are furniture polish, moth sprays, DDT, weed killers for the garden, aspirin, sleeping pills, finger nail polish and polish remover.

Iron Pills Are Bad Even mother's iron pills (many a mother with a touch of anemia is taking iron) can poison a baby. Other poisons include gasoline, paint thinners, turpentine, alcohol (whether it is denatured, grain alcohol, or whiskey, it still is poison to a toddler who can swallow too much before he realizes he doesn't like it), spot remover of almost any type, flammable or not, odds and ends of medicine, lacquer, shellac (which is largely alcohol) and insect sprays. Remember also that DDT and some of the other things mentioned are cumulative, and repeated doses can add up to poisoning.

Farmers learned long ago that in spraying barns to destroy flies, that they should be careful not to spray the cows, or to spray in areas where cows might get traces of DDT in their food. If they weren't DDT could and did start being found in the milk!

And I hope I don't have to mention the corrosive drain cleaners and toilet bowl cleaners and the like, when it comes to household poisoning cases.

Keep all these things locked away, or in cupboards too high and inaccessible for a child to reach. Don't keep the bleach bottle on the floor in the basement, or in the cupboard under the sink.

Avoid Possible Mishap If in doubt — keep a bottle or can of such stuff out of reach anyway. If you make a habit of doing this with all household fluids and powders, then you won't ever make a mistake and leave it where it can poison a child.

And as I've said before, when you discard medicines or any of these things, pour them down a drain or into the toilet or down a sewer. Don't throw old bottles of stuff into the alley. Kids might roam there.

"Dear Dr. Molner: I have been going to a gland specialist. He has prescribed pills plus a diet of no milk, cheese, bread, butter or eggs. Just fruit, vegetables and lean meat. Is this an adequate diet?" — L.K."

I couldn't say, because the important thing about a diet is what it does contain, not what it doesn't. Certainly it is entirely possible to live on a diet of fruit, vegetables and lean meat, and get everything you need for health.

Marine Corps Reserves Train In California

The 95th infantry company of marine corps reserves will return to Oshkosh Saturday after two weeks of field training at California bases.

The corps spent its first week at the Marine Corps Recruit depot, San Diego. The schedule included close order drill, bayonet practice, physical conditioning, fire team and squad tactics and live firing demonstrations of mortar, flame-throwers, rocket launchers and machine guns.

The second week of training is at Camp Matthews, 13 miles up the coast from San Diego, where reservists will fire the M-1 rifle for qualification after two days of intensive marksmanship training.

Pistol and Browning automatic rifle firing and hand grenade practice also will be taught at the camp.

Reservists will return after a final inspection Saturday and will resume regular drills each Wednesday evening at Oshkosh.

Auto Dealer Finds New Way of Delivering Cars

New Orleans — Donald Stephens, New Orleans auto dealer, Monday reported — but did not recommend — a novel method of delivering cars.

Stephens had a car for delivery in Irvington, Va. Before he could arrange to transport the car, it was stolen and driven to Washington, D.C.

Police recovered the car in perfect condition. It was in the hands of the new owner a few hours later.

Moral Values Changing, Student Survey Shows

College People Show Less Disapproval
Of Immoral Acts Than Predecessors

Columbus, Ohio — A survey of today's college students discloses they show less disapproval of immoral acts connected with sex than any of their predecessors of the past three decades.

The study just completed by two psychiatric researchers at Ohio State university here shows, for instance, that a man's desertion of an unwed mother, which students of the past 30 years ranked high among the "top 10 sins" of our time, has now been relegated to last place on that list.

Today's students, while still

its co-directors, Drs. Salomon Rettig and Benjamin Pasamannick, "is the great lack of stability of many moral values" and their apparent change with economic and political changes.

They note that 1939 students represent the parents of today's undergraduates — yet the responses of both groups differ.

Anonymous Responses

"Either parents aren't getting across their values to their children or the parents have changed, too," said Dr. Pasamannick.

The two researchers are interested, too, in the conflicting moral judgments represented in the student replies.

"The least we can do is point them out," they said, "and make people think about them."

Their findings were drawn from anonymous responses to a 50-item questionnaire by nearly 500 undergraduates — 204 men and 285 women.

Student ratings of moral acts

Appleton Post-Crescent 24
Wednesday, July 23, 1958

or specified situations, in degree of "rightness or wrongness," were then compared with studies of three previous decades at other midwestern schools.

Students of all the decades surveyed, with the exception of a 1939 study, regarded kidnapping and hit-skip driving, respectively, as the two worst moral sins.

Showing the most consistent increase in moral condemnation over the period are suicide and "a doctor allowing a badly deformed baby to die."

The scientists see this as a growing value for the sanctity of individual life.

Menasha School To be Completed In Three Weeks

Clovis-Grove Building Will be Ready for Opening in September

Menasha — Work on the Clovis-Grove Elementary school will be finished in three weeks and the building will be ready for the opening of school the first week in September, the general contractor reported today.

A final inspection of the building will be made around the middle of August by school architects, Durrant and Bergquist, and members of the board of education.

Main projects yet to be completed are paint work, varnishing in most of the classrooms and the laying of tile in about half the building. There also are a few minor adjustments to be made and general clean-up work to be finished.

Garfield Park Children Hold Wild West Week

Menasha — Wild west week is currently being observed at Garfield park. Craft projects in conjunction with the western theme include making drums from oatmeal boxes, head dresses, and Indian bowls. Other activities are a tent village, Indian war dances, horseshoe contest, folk dances, wild west stories, and horse softball.

Second ward park is the scene for a cowboy and Indian week observance. Craft projects will include the making of covered wagons, lariats, cowboy spins, sock hobby horses, horse puppets, horse bark canoes, and headresses.

Other activities scheduled are story telling, rodeo day on Friday, wild west wagon train, quick draw and steer roping contests, and cowboy and Indian skits.

Twin City Births

Neenah Cited For Excellent Traffic Record

AAA Award Given To City for Going 2 Years Sans Death

Neenah — An American Automobile association award for "excellence of pedestrian protection program" was presented to the city of Neenah Tuesday afternoon. The city has gone two years without a pedestrian fatality.

The citation, recognizing the city for its report in the AAA national pedestrian contest was presented by Mayor Chester Bell by Lyndon Waters, AAA district manager.

Waters pointed out the residents of the city, both pedestrians and drivers, deserve considerable credit for making the award possible. The record was achieved in the face of rising traffic exposure for pedestrians as a result of both an increase in vehicle use and the number of motor vehicles, he said.

The real reward to Neenah, however, was in pedestrian lives saved, Waters asserted. Almost every pedestrian accident results in serious injury or death which makes it essential to place greater emphasis each year on pedestrian protection activities.

A total of 1,708 cities, an all-time record, and 43 states submitted reports to the AAA for analysis and scoring. Cities competed in their own population group, while the states competed against others in their class.

Neenah — Mrs. Lydia L. Krueger, 71, formerly of Sheboygan, died at the home of a brother, Richard Capelle, 640 Maple street, at 11:30 Tuesday morning after a short illness.

She was born July 2, 1887, in the town of Shawano, Washington county, and lived in Sheboygan before coming to Neenah to live with her brother six weeks ago.

Funeral services will be held at 2 o'clock Friday afternoon at the Bethlehem Lutheran church at Sheboygan with the Rev. Mr. Ladwig in charge. Burial will be in the Lutheran cemetery at Sheboygan.

Friends may call at the Ramm Funeral home at Sheboygan from 4 o'clock Thursday afternoon until 11 o'clock Friday morning and at the church from noon Friday until the hour of service. The Kessler funeral home was in charge of arrangements here.

Survivors include three sons, Delbert, route 1, Sheboygan; William, route 2, Sheboygan; and Edgar, Sheboygan; one brother, Richard Capelle, Neenah; two sisters, Mrs. Charles Peterka, Eagle River, and Mrs. Sadie Capelle, Milwaukee; and nine grandchildren.

Take Bids Aug. 12 for Highway Paving Work

Commissioner Reports That 2 Overheads at Butte des Morts Bridge Near Completion

Oshkosh — First contract for the concrete paving of a portion of the Highway 41 project has been set for the opening of bids by the state highway commission Aug. 12.

Leon Morrissey, county highway commissioner, said today he had been informed by L. W. Empey, district highway engineer, that the bids will be for the paving of the approaches to the Highway 41 overhead over Highway 110 near Oshkosh and the 4-laning of the road from there to a point 1,800 feet from the Highway 45 intersection at Brooks corners.

The overhead structures at Highway 110 and the Sunset point road on the north end of the Lake Butte des Morts bridge are nearing completion, Morrissey indicated.

The bids being taken will be for the fill, drainage, ballast, stone lift and concrete paving for the approaches to those two overhead spans and for an additional two lanes from the lake north toward the Highway 45 intersection, a distance of 3.2 miles.

Bids will be taken later for another overhead structure at the Highway 45 intersection, according to the county highway commissioner.

Work has been progressing rapidly on the various Highway 41 projects in the county.

he mentioned. When completed the highway will be four lanes from Highway 26, to the Wau-pun road north to the south end of the bridge and then from the north end of the bridge to near Highway 45. There will be a gap from the Highway 45 to the Bridgewood golf course where the new Neenah bypass begins. The four lanes will continue north to Highway 10 in Outagamie county.

Oshkosh — Screams heard by a passing motorist thwarted an attempted rape of a 48-year-old Appleton woman about 10:30 Tuesday night.

Norman J. Kohl, 52, route 2, Appleton, was driving north on County Trunk P near St. John cemetery when he heard screaming. He headed back to investigate.

As the Kohl car approached, the assailant got into his car parked in the cemetery, drove across a ditch and fled toward Appleton at a high rate of speed, Kohl said.

Kohl said when he heard the scream, he saw two people in the ditch along the side of the road with the man holding the woman by the throat. He took the woman to a nearby tavern and called county police.

The woman said she had been shopping after work and stopped at an Appleton tavern where she saw the man. She accepted his offer of a ride home, but said he took her to a town of Menasha tavern where they had beer.

They then drove toward Appleton and the man stopped his car at the cemetery. She told police she got out of the car, but he chased her, grabbed her purse, threw it into the car and caught her.

She described the assailant as being between 30 and 35 years of age.

Oshkosh — Fire caused considerable damage to paper and excelsior stock at the American Excelsior company here Tuesday afternoon and evening, but did not interrupt production. Company officials said the amount of damage has not been determined.

Four Oshkosh fire companies were called to the plant along the Fox River at Ohio street at 2:41 Tuesday afternoon when friction from a conveyor belt ignited shavings, causing major damage to the building and contents.

Firemen were called back at 6:57 in the evening when sparks from a boiler ignited the roof and exterior wall of the boiler room. Considerable water damage resulted in the latter fire.

2 Twin City Men Are Recipients Of 3 Patents

Howard N. Nelson,
Charles O. Bailar
Report Inventions

Neenah — Two Twin City men recently received United States patents, one for his invention of a paper baler, and the other for two dispensing cartons.

Howard N. Nelson, 714 Congress street, was recipient of two patents, each entitled "dispensing carton." He is employed by Kimberly-Clark corporation to which he has assigned the patents.

Instead of being straight, is curved. It is claimed that this arrangement renders the cartons advantageous for their intended purpose.

The conventional baler for newspapers and magazines, often bulky, expensive and complicated, has been improved upon by Charles O. Bailar, 387 Nymut street, Menasha, who received a patent for a portable baler which is compact and simple in construction.

Bailar has devised a baler in the form of two rectangular frame members that are superimposed on each other at right angles and are secured together at their contacting areas by nails or other fasteners.

The frame members have grooves which extend from one side to the other and receive the tying wire or string. The frame corners are provided with holes which receive and hold removable pins or dowels.

In the use of Bailar's invention, the two superimposed and attached frames are placed on a supporting surface such as a floor or table. Tying strings or wires are placed in the grooves with their end portions hanging downward, and the dowels are inserted in the corners of the frame. Paper material is placed on the frames and is retained in place by the dowels.

Nicolet Council, Knights of Columbus, will hold its annual family picnic beginning at noon Sunday in Jefferson park. Completing arrangements for the event are from left to right, William Fettes, Paul Kelly and Frank Albert, general chairman. (Post-Crescent Photo)

Women's Golf League Lists Flight Winners

Neenah — Flight winners when the Twin City Women's Golf league played Tuesday morning at the Bridgewood course were Mrs. John Langner, first flight; Mrs. Todd Barnes, second; Mrs. John Kerrigan and Mrs. Oliver Eckrich, third; and Mrs. Norman Osier, fourth flight.

In team standings, the Putters captained by Mrs. Emmette Theimer are in first place with 250 points. The Cleekees with Mrs. Clarence Godhardt as captain are second with 256 points and the Brassies are in third place with 250 points. Mrs. Walter Christensen is leader of the last team.

The league will hold a jam-boree Aug. 28.

Dance Club Sets Dates

Neenah — The Twin City Century club dance group has set dance dates for the coming social season. Local orchestras have been engaged to play for the five scheduled dances set for Sept. 27 at North Shore Golf club, a tentative date; Nov. 8 at North Shore; Dec. 26 at Butte des Morts Golf club, also a tentative arrangement; and Feb. 7 and April 25 at North Shore Golf club.

Officers for the approaching season are Ed DenDoooven, president; Mrs. Lawrence Roock, vice president; Al Lang, social chairman; and Ted Hetzel, secretary-treasurer.

Named to the board of directors to replace outgoing members, D. W. Bergstrom, Jr. and Bud Pierce, were Victor Zeuthen and Mrs. Roock.

Plunges 4 Stories in Foreign Sports Car

New York — A garage attendant crashed through a wall of a garage and plunged four stories in a small foreign sports car last night.

John Pickering, 32, of Manhattan, was taken to a hospital in critical condition.

A police emergency squad had worked 30 minutes to free him from the wrecked car.

The car's owner, Joseph G. Nuny, of Yonkers, N.Y., had brought the car in for overnight storage. Pickering took it to the top floor on an elevator and was driving into a parking area when the car shot ahead and crashed through the wall.

It plummeted down an air shaft. Pickering suffered a fractured spine and other injuries.

Two Demonstrations Given by Winchester 4-H Club Members

Winchester — Demonstrations on table courtesy and civil defense were given at the Winchester 4-H club's prestyle review Tuesday evening. Kathy Mathison and Ruth Lipske gave the demonstration on table courtesy and Andrea Raehl and Donna Bauer presented civil defense.

Aid Navigation

3 Coast Guardsmen Patrol 100 Miles on Lakes, River

BY MARY JENSEN
Post-Crescent Staff Writer

Menasha — The placement, maintenance, and periodical inspection of over 125 navigational aids, buoys and lights, situated in an area of 100 water miles is the primary responsibility of three coast guard regulars stationed here at the Fox river light attendant station.

In their large buoy boat, Richard B. Lewis, 31, John Borra, 36, and Neal Gutsch, 21, see that markers to facilitate navigation are placed in the water ways from De Pere to Poygan, including Lake Winnebago, Butte des Morts, and waters near Winneconne and as far as Lake Poygan. Early in the spring the buoys are taken from storage by the three dungee-clad seamen and are set to mark reefs, shoals, and to lead a yachtsman to his port with ease.

The buoys are gathered in late in November before the three men leave for a winter in among thirteen to leave Oshkosh Tuesday for induction into the armed services as the July quota for Winnebago county.

Included in the list of inductees are John F. Kuhr, 388 Nasdo street, Menasha. Bruce T. Kuester, 313 Lopas street, Menasha. Clem H. Metko, 704 First street, Menasha. Evan W. Wiechmann, 736 Lincoln street, Menasha, and Lester J. Hansen, 706 E. Forest avenue, Neenah.

Oshkosh youths that reported for induction are Donald H. Olson, Andrew J. Glander, Thomas E. Bennett, Phillip J. Putz, Wayne L. Bahr, Calvin J. Murphy, Jr., and Richard R. Lewis. David T. Barnard, Oshkosh, also was included.

Carton Finishing
Edges Press; Two
Games Set Tonight

Menasha — Industrial Relations, co-runnerup in first round play, opens second half action in the Marathon Softball league by edging Main Office 7-5 Monday night at Jefferson park.

Bob Suess was the winning pitcher and Jim Young took the loss. Relations scored six runs in the fourth inning and one in the fifth. Office tallied twice in the second and third and once in the sixth.

"Doc" Applegate and Dan Thompson homered for Relations and Dave Kenney had a four-base clout for Main Office.

Carton Finishing edged Carton Press 12-11 in the other tilt. Jack Helmuth was the winner and the loss went to Marx.

Press came up with four runs in the first, singles in the second, third and fourth, two in the fifth and three in the sixth. Press notched three in the first, one in the third, four in the fifth, two in the sixth and a solo in the seventh.

Charlie Shafer had three hits for Finishing and Dorzweiler made a trio for Press.

First round champion Research and Development, unbeaten in eight straight games, opens second half play at 7 o'clock tonight against Central Shipping, Office Service and Carton Michie are matched at 5:30.

fice. These too, must have the near appearance that's second-nature to a sea-going man.

Multi-tattooed, jovial Lewis, a boatswain mate first class, has served 14 years in the navy and coast guard. During war-time, coast guard personnel are under naval jurisdiction and serve on navy ships. He came to Menasha four years ago from Honolulu where he was stationed on a weather ship. Lewis has also spent a year in Japan.

His home town is Los Angeles but he feels he now knows more people here. He boasts a tattoo of a "three-masted sailing ship" across his chest, among others he's collected like some travelers collect souvenirs.

Italian-born John Borra who calls any sea port his home, came to this country before World War II and joined the coast guard. His rate is engineer first class. In his slight, pleasing Italian accent, Borra says that Honolulu is his favorite port-of-call. Borra and Lewis share an apartment and do most of their own cooking.

"Good Sailer Doesn't Marry"

"I joined the coast guard because it was the only recruiting office open," says Neal Gutsch, former lumberjack and native of Sheboygan. He added that he knows he couldn't have made a better choice. In reply to his fellow-guardsmen's barb, "no good sailer gets married," Gutsch will wed a Chicago girl in September. He has spent three years in the guard and is a boatswain third class.

They've been "around the world" but say that being stationed in Menasha is "good duty."

8 o'clock—St. Mark vs. Presbyterian.

Neenah — Presbyterian bids for its fourth straight second round win in the Neenah Church Softball league when it meets St. Mark at 7 o'clock tonight at the Recreation field.

The Presbyterian and United Brethren - St. Thomas teams are currently tied for the lead with 3-0 records but the latter played this week's game on Monday. St. Mark is winless in two starts.

St. Paul, which has a 2-0 record, is paired against winless Methodist (0-3) in the opener at 6:30. Tonight's games will wind up league action until Aug. 4. No games are slated next Monday and Wednesday because of the tournament.

65-Year Old Church Building
Being Converted to Clinic

Menasha — The transition from a place to save souls to healing bodies will be made when the former Trinity Lutheran church, 337 Chute street, is renovated to a medical clinic.

Dr. John R. Nebel is remodeling the 65-year-old building for use as a clinic with four

apartments to be located upstairs. He purchased the structure from the Trinity congregation a year ago.

On Oct. 1, 1893, the Chute street church was dedicated and the last service was held in the building on July 12, 1953, 60 years later. It stood idle for four years until sold to Dr. Nebel.

Church records show the church was erected for \$5,975, not including the furnishings. The church's steeple, well over 100 feet high, was put up when the congregation wasn't satisfied with the original tower.

The original altar was built by the late William Laemmrich, grandfather of Clem Laemmrich.

A cornerstone, which was laid in the church in 1873, was removed when the new Trinity church was built in 1953. All the data in the cornerstone was well preserved and resealed in the new church.

Three bells, placed in the Chute street church in 1895 also were removed and are being used in the new church. The bells weigh 2,200 pounds, 1,100

pounds and 500 pounds.

Only the bells, cornerstone, organ and sacramental vessels were moved from the old church to the new one.

The First Trinity Lutheran church was constructed in 1863, directly across the street from the second one. Ninety years to the day, the third and present Trinity church was opened.

Trinity school, built in 1917 as a parish hall and Sunday school, was sold to the Knights of Columbus in 1952. This building, located at 339 Broad street, 1945.

Neenah — Main Office gained a half game advantage in the American division of the Twin City Industrial Softball league by edging Gilbert Paper 1-0 Tuesday night at the Recreation diamond.

The Kimberly-Clark entry now has a 9-1 record. The Marathon Packers, with 8-11 play Thursday night. Gilbert's, which now has two straight losses, is in third with 7-3.

In other Tuesday action, Neenah Foundry took over undisputed possession of second place in the National section by edging Wooden Ware 6-5. Defending champion Badger-Globe upset Lakeview 10-4 and Neenah Paper registered a 7-4 triumph over Wisconsin Tissue Mills.

Scores in Second
In defeating Gilbert's, Main Office scored its lone marker in the second inning. Darrell Schultz was the winning pitcher and George Bonnick was charged with the loss.

Schultz limited Gilbert's to six hits and walked one. Bonnick permitted seven bingles and didn't walk anyone. Carl and Vanden Boom had two hits for Office and Claude Wyman and Carmen Breitenfeldt each had a pair for the losers.

Foundry led Wooden Ware 5-0 going into the last of the fifth. The latter scored two runs in that frame and then came within a marker of tying by chalking up three in the last of the seventh after the Foundry put over what proved to be the winning run in the top half of the inning.

Makes 9 Hits
Foundry made nine hits and received three walks off the offerings of Bob Cole. Losse stopped Wooden Ware with six hits but walked seven.

"Rocky" Schafer, "Bud" Van and Orrie Siebers all had two hits for the winners and Doug Cane had a pair for Wooden Ware.

Four runs in the top of the seventh iced Badger-Globe's win over Lakeview. The defending champs tallied a run in the second, two in the fourth and three in the fifth. Lakeview made singles in the second and sixth and two in the fifth.

The Badgers made nine hits off Len Adams and received

four walks. Don Gauthier stopped Lakeview with three hits and walked nine. Krull and Gauthier each had two safeties for the winners.

Neenah Paper broke a 3-all tie with a run in the fourth, added another solo in the fifth and made two in the sixth to down Tissue Mills 7-4.

Hilly Koslowski was the winning pitcher and Jim Asmuth took the loss. The winners had an 11-4 hit advantage. Both teams received two walks.

Wood had three hits for Neenah Paper, including a two-run homer in the third which tied the score. Rohde and Simons each had two bingles.

Legion Nine Guns for 9th Straight Victory

Entertain Bays In Home Final; Visitors Post 2-0

Menasha — Winner in its last eight outings, the Lenz-Gazecki post junior Legion nine will try to add to its victory string and avenge an earlier defeat as well when it entertains Green Bay at 8 o'clock tonight at the ball park.

The contest will be the final home game for the Menashans who close their league schedule with games at Mayville, Fond du Lac, Kimberly, Kaukauna and Oshkosh.

Green Bay finished the first round with an 8-1 record to tie Fond du Lac for the championship. They haven't played off as yet to determine who will meet the league all stars.

One of those victories was over Menasha, a 10-6 triumph on June 21, in a game in which the Twin Citizens did just about everything wrong, leaving 15 runners stranded along the way. The losers couldn't take advantage of 13 walks they received.

Larry Zuidmulder, who picked up the win the first time around, or Ron Hendrickson is expected to hurl for the Bays, probably against Don Jensen. The latter has a 5-1 record. The wins are consecutive. Tom Robinson, who boasts a similar mark, was the loser at Green Bay.

The Menashans are 3-0 for second half play and the Packers city entry has 2-0. Menasha

Braves Defeat Cubs 4-3; Held To One Bingle

Spartans Topple Boilermakers in Grade League Play

Neenah — The Braves were held to one hit by Jim Tessen-dorf but managed a 4-3 win over the Cubs in a Senior Baseball league game Tuesday. The winners were shorthanded because of Brigade camp and played with eight men.

The only hit off Tessen-dorf was a single by Ricky Getsch-ow, the leadoff hitter "in the first. The Cubs collected four hits off Dave Heller. Jack Ank-erson had three, including a double and triple. Heller struck out 14. The Braves scored three runs without a hit in the third. The Braves now have a 6-5 league record to 4-6 for the Cubs.

The Spartans put down a Boilermakers rally in the top of the seventh to nip the latter 7-6 in the grade league. The losers made four runs in the final frame.

Angell Gets Win
Doug Angell had three hits for the winners, including a double. He also was the winning pitcher. The losers made seven, three by Ron Gullickson and two by Tom Dieckrich. The latter had a double and triple. He also was the loser. The Spartans have a 6-2 record and the Boilermakers 5-3.

Wards 8-10 nipped Wards 3-5 by a 9-8 margin in the Grade Softball circuit. The winners have 7-2 and the losers 2-7. The winners only made four hits but received 10 walks. John Williams had two bingles and Bill Dowling homered and made an unassisted double play.

Brian Koehn, John O'Brien and Glen Neumeier all had two hits for Wards 3-5. O'Brien homered in the first. Jim Olson was the winner and Gary Mut-tart was charged with the loss.

Rohe Clouts .368 to Pace Merchant '9'

Menasha — Dick Rohe leads the hitters on the Twin City Merchant softball team with a .368 average. He has 14 hits in 38 trips to the plate.

Actually Ruf Ide has a higher mark, .375, but he has only been at bat 16 times, making six hits. The only other regular above the .300 mark is Doug Wiatrowski, who has .351 in 111 hits in 31 attempts.

Wiatrowski is also the leading pitcher with a 5-4 record. Don Bretthauer has won once in five outings.

The Merchants, who last weekend captured third place in the Green Bay open tournament, will make their next start at 6:30 Thursday night against L and LeBar of Oshkosh in the Appleton meet. A win will bring them back for a 3:30 Saturday afternoon encounter.

Three Teams Involved in Gilbert Race

Radiance, Resource, Nodch 222 Points; Dreadnaught 3rd

Menasha — With only six weeks of play remaining in the Gilbert Paper company Golf League race, the scramble for top honors has settled down to a 3-team race between Radiance, Resource, now tied for the top spot, and third place Dreadnaught.

Radiance led the loop going into Tuesday afternoon's action on the Bridgewood course but lost its one-point advantage and now shares the lead with Resource at 222 points each. Resource was this week's top scoring unit with 26 out of a possible 40 points. Dreadnaught, second place before this week's matches, dropped to third place with its season total of 220 points.

Lancaster is a distant fourth place with 197 points. Old Ironsides, in fourth place before this week's session, now is in fifth place with 196 points while Supersize is sixth with 194. Dauntless is seventh with 176 and Dispatch is last with 175.

Len Heckner of Radiance and Clarence Elmgren of Resource tied for point-making honors, each with 14 out of a possible 20. Next in line were Joe Nadolney of Lancaster and John Christofferson of Dreadnaught, each with 13 markers.

Nadolney snared scoring honors on his 36 round, which featured a birdie on the par-5, 540-yard eighteenth hole. Orv Krieglstein Supersize, was second with a 42, which included a birdie on the par-4, 305-yard

Committee for Winneconne Celebration Reviews Costs

Winneconne — The Fourth of July celebration committee reported a balance of \$80 in its treasury after all expenses for this year's holiday celebration had been paid. The committee met Monday night to review the expenses and expressed a desire the program may become an annual affair.

Mr. and Mrs. Wallace Nelson will leave Friday for the state convention of the American Legion at LaCrosse from Friday through Sunday.

Trophies for the outdoor motor races scheduled for August will go on display Friday according to Alfred Broehm of the Chamber of Commerce committee which is sponsoring the race.

Mr. and Mrs. Albert Croteau of Albuquerque, N.M., were guests at the Dewey Kronitz home Saturday. Other weekend guests included Mrs. C. A. Sterling of Chicago, Ill., a sister of Mrs. Kronitz.

Mrs. Mary Gruwell and Mr. and Mrs. Walter Kraft of Chicago are visiting at the home of Mr. and Mrs. Jack Gruwell here.

Mr. and Mrs. James Mader and family of Madison vacationed last week at the home here of Mr. and Mrs. George Mader.

Mr. and Mrs. George Mader twelfth hole, the same hole which Christofferson mastered with a birdie.

Chris Grode of Radiance walked off with blind bogey honors on his 51 card.

Resource meets Dreadnaught's next Tuesday afternoon's feature first, only tussle involving club, division teams. Radiance takes on Supersize, Old Ironsides faces Dauntless and Dispatch plays Lancaster. 56 to complete the top division.

Dupont Collects 36 Card for Tops In Marathon Loop

Menasha — Tom Dupont carded a 36 for low gross honors in the Marathon Men's Golf league last Thursday at Bridgewood. Bob Hogan had the runnerup 37 card and Robert Penter was third with 38.

Personnel recorded 172 for low team gross. Graphic Arts had 173 and Neenah Plant Office 174. Low team net scores included Graphic Arts 140, Neenah Plant Office 142 and Personnel 147.

Canal Plant leads with a 77-33 record. Neenah Plant Office has 731-361, Personnel 661-431. Graphic Arts 65-45, Methods 61-49, Trainees 57-53, the Analysts 55-55 and Neenah Pressroom 54-56 to complete the top division.

Trinity Tips Bethel 1-0 in Church Loop

Menasha — Trinity registered its second straight second round win in the Menasha Church Softball league by edging Bethel 1-0 Tuesday night. Bill Page was the winner and Art Haferman took the loss. Page allowed six hits, walked

no one and struck out three. Haferman permitted five hits, walked three and whiffed nine. Congregational turned back St. John 11-6 in the night's other test. "Gus" Block was the winner and John Swiechowski the loser. Jim Bartz homered for Congregational and Jim Mattern and Jack Zolkowski had four base blows for St. John.

Trinity leads with 2-0. Bethel and Congregational have 2-1. St. John 1-2 and St. Timothy, idle Tuesday, 0-2.

Cool Toward
All-Year School

No Serious Support
Appears Imminent
In State Assembly

Post-Crescent Madison Bureau

Madison — An all-year school plan for Wisconsin, boomed earlier in some circles as a possible method of reducing school costs during a period of skyrocketing school enrollment and expenditure, is unlikely to gather much serious support in the state legislature.

Reaction of the legislative council to such a proposal, as non-committally reported in a progress report from an education sub-committee, was distinctly cool.

Only Rep. J. Riley Stone, Reedsburg, asked a few perfunctory questions about the matter, as the council went on to other subjects and ignored the proposal. It was advanced last year by the League of Wisconsin Municipalities and others as holding promise of significant economies in Wisconsin in future years.

Main Clue
Sen. W. W. Clark, Wood county, chairman of the education committee which is making that study and others, probably offered the main clue to the difficulties that will attend any effort to make such a radical adjustment of traditional school attendance patterns.

The social structure, he said, is inextricably linked with the 9-month school calendar. Parents would object because of complications in their vacation and holiday schedules, he pointed out.

The Clark committee reported local school boards have the authority to adjust their school schedules under present law. Similarly, local school boards can cut down the costs of their school plant if they want to do so, he said. Another topic of the committee's study was how to reduce the cost of providing new school buildings. A final report will be submitted to the legislature in January.

Tokyo Black Market
Raided by 80 Officers

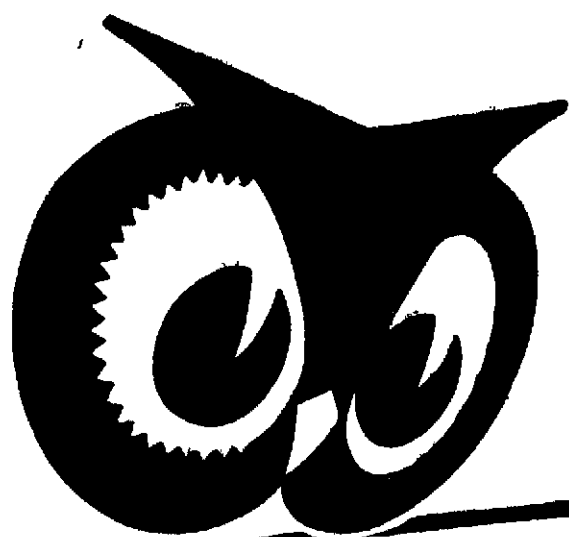

Tokyo—Eighty Japanese police and customs officers Tuesday raided Tokyo's downtown black market and seized enough American luxury goods to start a giveaway program.

Six truckloads of television sets, refrigerators, washing machines, golf clubs, cameras, watches and 150 cases of U. S. canned goods, worth \$30,000 in all, were confiscated in the raid on the "Ueno PX," an alley where U. S. post exchange items are sold at low prices to all comers.

The duty-free goods get into Japanese channels through illegal sale by U. S. servicemen or theft. They will be auctioned at the customs warehouse.

No arrests were made. Police said the area will continue operating because the law does not authorize closing down establishments for handling smuggled goods.

He graduated from Washington High school in Milwaukee and studied art for four years in Los Angeles. He is a marine corps veteran.

Frank was employed by a Milwaukee art studio before joining the Appleton firm four years ago.

James L. Lueck, Appleton, has joined the public relations staff of Consolidated Water Power and Paper company, Wisconsin Rapids.

He was employed at the Appleton division office since 1957.

Leo J. Welling, Jr., a graduate of Western Michigan college, has joined the firm's technical department.

Charles W. Habeck, supervisor of the company's supply and service department, has been appointed supervisor of the order and billing department. Harold Nelson will head the department's scheduling section.

Omni R. Harju has been appointed general tax accountant. He also will serve as secretary of the technical advisory committee.

Earl F. Otto has been named coordinator of inventories. He will continue as maintenance superintendent of the Wisconsin Rapids division.

John B. Leshar has been named Fox River valley representative of Weyerhaeuser Sales company, a subsidiary of Weyerhaeuser Timber company, world's largest lumber company.

Leshar, a Dartmouth graduate, has been with Weyerhaeuser in sales and field service for 10 years. He was transferred from Tacoma, Wash., and resides with his wife and two children at 106 Olive street, Neenah.

Paul A. Young has been named supervisor of costs and budgets for Nekoosa - Edwards Paper company, Port Edwards.

He formerly was budget supervisor for Marathon division of the American Can company, Menasha.

Young is a graduate of Pittsburgh university.

McGraw-Edison company and National Electric Coil Company have consolidated, subject to approval of the coil firm's stockholders.

Under terms of the consolidation contract, 420,000 shares of McGraw-Edison stock will be exchanged for the business and assets of the coil company, which operates plants in Columbus, Ohio, Bluefield, W. Va., Harlan, Kan., and St. Johns, Quebec, Canada.

National Coil fabricates its own copper wire from rods and makes insulating materials required in windings for electrical use.

McGraw-Edison has a wood products plant in New London.

The Kroger company, Cincinnati, reports a net income of \$10,427,150, for the first 24 weeks of 1958—an increase of \$1,131,198, or 12 per cent, over net income of \$9,295,952 for the same period last year.

The figure is equal to \$2.55 on each of 4,084,781 shares of common stock, compared to \$2.39 in 1957.

Sales per store for the first half of 1958 were \$24,100 per

waukee investment firm, as are departments of advertising, publishing and industrial.

He is a former employee of Home Mutual Insurance company.

Charles W. Parker, Jr., has been named to the newly created position of director of sales promotion for Allis-Chalmers Manufacturing company's industries group.

He formerly managed the company's Philadelphia district.

Thomas L. Carter has joined Lowe and Company, Inc., Milwaukee.

Edmund J. Quinn, route 1, Kaukauna, power sales engineer for the Wisconsin Michigan Power company for the last 10 years, has taken a position as an electrical design engineer with Beling Engineering Consulting company, Des Moines.

The Iowa firm's services include consulting, designing and supervising in the fields of heat-

ing, ventilating, air conditioning, highway and bridge construction and right-of-way surveys.

Preliminary estimates indicate McGraw-Edison company sales and earnings turned upward in June. Max McGraw, president states.

June sales were off only 9 per cent from a year ago, McGraw said, with best improvements noted in sales of equipment and supplies to public utilities and washers and driers.

Electric fan and air condition-

er sales were adversely affected by unseasonably cool weather in June, but total sales of consumer appliances were down only 10 per cent from the same month a year ago, he said.

Preliminary estimates indicate McGraw-Edison second quarter earnings will be approximately one-third lower than a year ago.

Bronchitis in Hens Cutting Egg Production

Winter Disease Hitting Wisconsin Flocks in Summer

Madison — Bronchitis has developed into a serious problem in Wisconsin poultry flocks this summer.

The respiratory disease, which normally attacks in winter, has taken laying flocks out of production completely, in a number of cases, according to Wayne Burch, veterinary scientist at the University of Wisconsin.

The disease also has moved from laying flocks into young flocks.

One egg dealer in the Madison area has a normal pick of 150 crates of eggs. He reports his pick-up down to 12 crates because of bronchitis.

Vaccines available — Poultrymen can spot bronchitis when chickens are sneezing, about the only recourse is to a drop in egg production development quickly. But then it's too late.

Vaccines are available to immunize poultry against bronchitis. Mass immunization with either a dust or in the drinking water is possible.

Vaccination of the young flock will prevent bronchitis. You can purchase the vaccine from veterinarians, hatcherymen, distributors, druggists, egg processors or feed men. No permit is required at the present time, although earlier one was.

Use the vaccine according to directions on the package. This applies to ages of the birds, number of applications, dose and method. A farmer can administer the vaccine.

Do not vaccinate young flocks that have become infected from the old flock. They are immune. There's some danger in spreading the vaccine effects from the young flock to the layers. Take precautions suggested on the package. You're probably better off to take the chance now rather than chance a natural outbreak of bronchitis in mid-winter.

If your laying flock has a natural infection of bronchitis, about the only recourse is to sell the flock.

State Ahead of Record Year in Milk Production

Madison — The State Federal Crop Reporting service stated today that milk production in Wisconsin in May was 1,879,000 pounds, or 2 per cent above May of 1957, making it apparent that the state is headed for a new record output.

Milk production on Wisconsin farms totaled more than eight billion pounds in the first five months of this year, 3 per cent more than in the corresponding period of 1957, a record year.

The price paid Wisconsin farmers for milk for all uses averaged \$3.09 in May of 1958, compared with \$3.27 in May of 1957, the service reported.

Butter production in Wisconsin in May of this year was 31,500,000 pounds, up 6.5 per cent from the same month a year ago. American cheese production in Wisconsin in May of this year was 52,000,000 pounds, down about 3.2 per cent from the corresponding month in 1957.

END CANVAS TROUBLES—USE THE JOHN DEERE 30 COMBINE

...with 7-FOOT AUGER-PLATFORM--EVEN-FLO FEED

Listen to the steady hum of the threshing cylinder of the John Deere 30 Seven-Foot Combine at work, and you'll know that here is a combine that does a real job of threshing. As every good thresherman knows, even feeding is the big secret to best threshing. And, in the 30 Combine, it's the combination of the auger-type platform and the EVEN-FLO FEED that keeps the cylinder humming at proper threshing speed at all times—completely does away with canvas trouble.

Full-width, straight-through handling of straw and grain is another mighty important advantage you get in the 30 Combine. Because of the even feeding to the full-width cylinder, the material is spread out in a thin layer over every inch of the large separating and cleaning area. This insures more and cleaner grain or seed from every acre harvested.

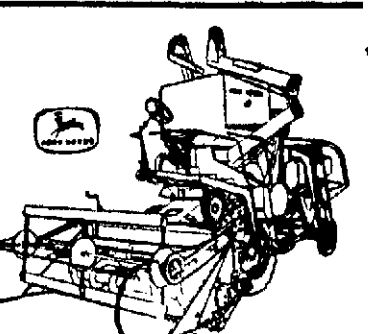

Come in soon for full details on the 30 Combine. Ask about the John Deere Credit Plan.

TIME TO TAKE INVENTORY OF POSSIBLE HAZARDS ON YOUR FARM!!

it's National FARM SAFETY WEEK

★ ★ ★ JULY 20th - 26th ★ ★ ★

"WHATSOEVER A MAN SOWETH,
THAT SHALL HE REAP" New Testament

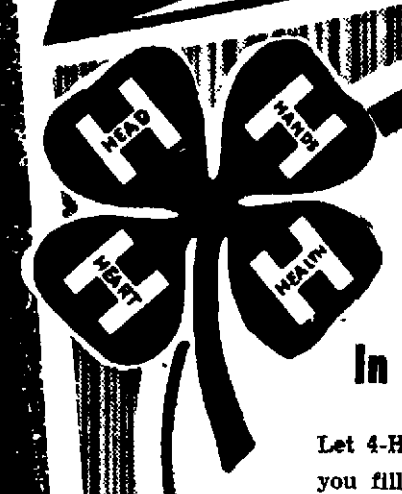

The hard work and all the planning you've put into your farm will yield their reward . . . a bountiful harvest! And, as "safety" is so important in fire and accident prevention to every farmer, it's always time to give serious thought to the safety first aspect of your farm, barn, and house. "As you sow, so shall you reap" . . . be sure to sow **safety-first** so that you'll be safe **this and every year.**

The Safe Farm Test CAN YOU ANSWER "YES" TO ALL THESE QUESTIONS?

To The Above Questions

4 H'ers

In Outagamie County Are Ready to Help

Let 4-H'ers inspect your farm or home for hazards. They will help you fill out accident inspection blanks. Just call your County 4-H Agent . . . he will be glad to suggest a 4-H member who will inspect your farm or home.

Farming Can Kill You

It's Easy - Here's How . . .

- Neglect Your Machinery**
Who cares if it's not in safe working order. It's too much trouble to keep it in shape. Guards and safety devices are for sissies.
- Operate Tractors Carelessly**
Always start and stop suddenly . . . take corners at high speed . . . and drive as often as you can in ditches, on soft ground and creek banks. It's more fun.
- Ignore All Traffic Rules**
Whether you are driving a car or tractor on the highway, remember the rules are for the other guy. This is the slack season for undertakers anyway.
- Forget Fire Hazards**
Smoke all you want in the barn, and always start fires with kerosene. This makes life more interesting.
- Startle Your Animals**
Yelling "Boo" at the bull is a fine way to liven up a dull day.
- Be a Lousy Housekeeper**
You can't get hurt in the house . . . besides you are too busy to watch the water heater . . . fix old wiring . . . pick up roller skates, etc.
- Falling Is Fun**
Especially from the barn roof . . . ladders never slip anyway. To heck with safety . . . live dangerously.
- Disregard Water Safety Rules**
Stand on your head in boats . . . dive in shallow water . . . all are O.K. Who wants to live to be ninety anyway.
- First Aid Can Wait**
Show everybody how tough you are . . . ignore cuts and bruises. You don't want to overwork the doctor and nurses.
- It Can't Happen to You Anyway**
Only one out of five farm families had serious accidents last year. Why worry when you know it will happen to someone else.

Blohm Sisters Carry Off Big Share of County Fair Duck, Goose Ribbons

Rural Seymour Girls Dominate Divisions of Junior Poultry Show

Janet Blohm, route 1, Seymour, of the Crystal Star 4-H club carried off most of the blue ribbons in the duck and goose divisions of the poultry show at the junior county fair in Seymour last week. Her sister, Karen, won most of the ribbons that she did not take.

Janet won ribbons for a young drake, an old drake and old duck in the Indian Runner breed; a young goose, an old goose and an old gander in the Toulouse breed; a young Embdam goose and gander, and young and old Pilgrim geese and ganders.

Duck Ribbons
Karen won ribbons with a young Indian Runner drake, a young Toulouse gander and

young Chinese goose and gander.

Other duck ribbons went to Barbara Trust, route 2, Seymour, a young Pekin drake; Marlene Zibell, route 2, Seymour, young Pekin duck; Larry Beter, Black Creek, and Rochelle Henke, route 3, Appleton, for young Muscovy drakes and ducks; Betty Thyssen, route 3, Appleton, old Muscovy drake; John Krull, route 1, Appleton, old Muscovy duck; Gene Pautz, route 3, Seymour, young Mallard drake and duck, and an old Mallard duck, and Clarence Van Horn, Shiocton, an old Mallard drake.

John Yogerest, route 1, Hortonville, won ribbons with an old Embdam goose and gander; Larry Beyer, Black Creek, an old African goose and gander, and Oliver Burmeister, route 1, Black Creek, won with an old Chinese gander.

Rochelle Henke, route 3, Appleton, won both turkey rib-

the Combine with Everything!

Everything you want in a pull-type—and more! Here's a full 7-foot-cut combine, with an auger header that eliminates drapers. And matching its size are big-capacity units all the way through the machine to handle your heaviest grain and bean crops.

This Oliver 18 saves more from the start. Its semi-revolving reel, with bats going straight down into the grain, reduces shattering losses. Next, 90% of the threshed grain is stopped at the cylinder by Oliver's famous "Man Behind the Gun" before it can mix with straw. An unusually long straw rack gets the rest.

Other grain- and time-saving units include the 25-bushel tank, adjustable concaves, swinging drawbar, large cleaning unit. Engine or PTO model. See the Oliver 18 before you buy.

3-POINT SEPARATION

All McCormick harvester-threshers give you three-point separation — at (1) concave grate, (2) over the finger grate and (3) on straw rack — for the fastest, most complete separation possible.

opposed-action, double-shake cleaning works like this: rocker arm drives cleaning shoe and shaker unit. When chaffer moves ahead, shoe sieve travels back—in the opposite direction. This action prevents straw particles from bridging between chaffer and shoe sieve . . . keeps grain-wasting blanket of chaff from forming on shoe sieve.

come in and get the complete story on double-shake cleaning . . . also on 3-point separation and all the other IH grain-saving benefits. See how a McCormick No. 141 saves grain other combines lose.

Step up your harvest with

Super 100

For medium-sized acreage of any crop, the ability for effective work comes natural for the Super 100. In addition to famous ALL-CROP Harvester design, the Super 100 has this outstanding WIDE-FLOW system.

- Retractable finger auger and a 4-foot-wide feeder house for even feeding.
- Crop flow controlled by adjustable feed rolls in front of the cylinder . . . prevents slugging.
- Plenty of traction and flotation with 11-24 drive tires on wide-base rims — 7:50-16 steering tires.

These are the extra value features Allis-Chalmers gives you in addition to gentle rubber-on-rubber shelling, complete air blast separation, and cleaner samples from saw-tooth wind valves.

Now, before your harvest starts, see what a Super 100 can do for you. Stop or phone.

Sawyer Takes Over Phillies Tonight

'That's Baseball' Says Smith After Hamer Announces Move

Philadelphia—(AP)—Ten years ago, less one day, Eddie Sawyer was hired to manage the Philadelphia Phillies. Tonight he takes over again as the Phils' field boss in one of those quirks explained thus by his predecessor: "That's baseball."

General Manager Roy Hamer announced Tuesday that Mayo Smith, the man he personally brought up from the minors in 1955 to manage the Phils, was through and Eddie Sawyer, who led the Phils to the National league pennant in 1950, was replacing him.

Out of Game Sawyer has been out of the game since he was fired midway in the 1952 season for failing to win. Now come, Hamer was asked, the Phils, hired him?

"He had a good record and

Macs Rack Up 20-1 Win Over Harrison '9'

Menasha — The Menasha Macs came up with 13 runs in their final two innings to pummel Harrison, 20-1, in a Fox River Valley league encounter here Wednesday night. The game was called at the end of 7 1/2 innings.

The victory gives the first round champions a 2-1 record for second half play while Harrison is still winless after four outings.

The Macs took a 7-1 lead into the sixth inning when they collected five runs and they closed their scoring with eight more in the seventh.

Grand Slam Homer The sixth included a grand slam homer by John DeYoung over the left field fence. Len Heinbigner, who cracked two homers in the tournament game against New London Sun-

day, hit a 3-run clout over the right field barrier in the seventh.

Gene Gries and Vic Stenson combined to hold the losers to two hits. Gries worked the first five innings and Stenson, the last three.

Macs Get 16 Hits The former gave up the hits, a single to left and an infield blow, both by Tony Mueller, walked one and struck out five. Harrison's run, which was unearned, tallied in the fourth on Mueller's infield hit, and two errors. Stenson pitched perfect ball in his three frames, striking out five of the nine hitters to face him.

The Macs touched starter Lou VanRossum and Art Schoenberger for 16 bingles. They

Oshkosh — Appleton's Legion baseball team dropped its third straight in the second round of Fox Valley Legion league play here Tuesday night, losing, 14-5, to Oshkosh.

The game was called with none out in the bottom of the eighth because of the 9-run rule. Oshkosh scored its fourteenth run then to put it nine runs ahead.

Appleton loaded the bases in the first on two walks and Brian Zordel's bunt. Marv Hietpas doubled to score three runs, and Dick Sonleitner singled in Relien for the other score. The losers got one more in the second, when Marv Hietpas doubled again to score Zordel, before Boese replaced Johnson on the mound for Oshkosh and held Appleton scoreless the rest of the way.

Rog Gruska started for Appleton and was tagged with the loss. He allowed 10 runs, nine hits, struck out two and walked three. Jerry Loberger finished, walking six and striking out four. Boese scattered four hits, struck out seven and walked none.

field Tuesday night in the Kimberly-Little Chute - Combined Locks booster game.

Rene "Babe" Nodarse, who went the route, snapped a Fox Cities losing streak for the third time this month as he hurled his eighth win against six defeats. The Foxes, who had lost five straight previous to Tuesday night, snapped the Athletics' winning streak at four.

Tonight, in the finale of the 3-game series, the Foxes will send Don Cameron (4-4) to the mound in an effort to start a string of their own. The A's will counter with righthander "Lev" Spencer (3-1) who finished a short term as stand-in manager for the ailing Burl Storie. Lew Krouse, Kansas City scout and trouble-shooter, made an inauspicious debut as he took over the helm Tuesday for Spencer.

Activities The game was marked by several extra-curricular activities. Plate umpire Bill Hatch cracked down on dissenters as he ejected Foxes' shortstop Don Danton in the first inning after the latter had protested a called third strike. Carlos "Potato" Pascual left the game in the eighth after he threw his bat on the grass following another called third strike.

On the lighter side, bands from Kimberly, Little Chute, and Combined Locks provided entertainment between innings and sometimes during the action on the field. The Combined Locks Pep band, the smallest aggregation, probably provided the most noise, including third strike.

The best card of the tournament so far, a 76, was turned in by Mrs. Ken (Rita) Houston of Green Bay, the Northeastern champion, who ousted Mrs. Mylo Howe of Milwaukee 8 and 6.

Fox Valley Softball Tourney Begins at Interlake Thursday

Jitter's and Joe's '9' Heads 16-Team Field in Meet Here

Leading softball teams from Appleton, Menasha, Two Rivers, De Pere, Green Bay, Oshkosh, Fond du Lac, and Manitowish will compete in the ninth annual Fox River Valley Softball tournament, which begins Thursday and continues through Sunday at the Interlake diamond.

Last year's champions, Club Tavern of Menasha, will be back as Jitter's and Joe's Menasha. The team will play Bob and Jacques from Two Rivers in the first round.

The top three teams in the Municipal AAA league in Oshkosh—L and L bar, Wertsch motors, and K and L construction—will also compete in the tourney. Guenther supply, one of the better teams in the Fond du Lac area, will meet Wertsch in its first game.

Riverside Plays Sport-O-Lectric, which won the first half championship in the New London Fast Pitch league, will meet the Appleton Riverside paper team, which shares the American Industrial league lead and recently won the Neenah Industrial Softball tournament. Independent teams John's Poinsetta of Neenah and the Twin City Merchants of Menasha, which have been runners-up in several tourneys, are also in the meet.

Appleton Subway bar, which won a Green Bay softball tournament recently, will play Manitowish Van's Bar, a leading team in the Fast Pitch league there. Appleton St. Paul, which has added a few players and will meet Irene's of Green Bay, winner of two Menasha tourneys. Another good nine, Al's 215 Club of De Pere, rounds out the tourney slate.

Team managers are: Al's 215 club, Dale Knaus; K and L

Turley Wins 15th For Yankees, 13-3
Defeats Tigers as Winners
Collect 23 Hits; Chisox Cop

By The Associated Press

That American league "race" may be dull, but you can't say they're not trying to live things up as the New York Yankees romp along with a 12-game lead.

Take last night.

1. Cleveland's Vic Power missed most of the first game in a two-night double-header with Washington. He thought only a single game was scheduled. Washington took the opener, 4-2, in 12 innings, but the Indians, with Power lining a 2-run double, won the nightcap, 5-3.

2. The Yankees clipped Detroit, 13-3, as Bob Turley won his fifteenth, but the Yankees made it a bit out of the ordinary by getting 23 hits, high for the season in AL.

Boots

3. Baltimore and the Chicago White Sox, running 1-2 in team fielding, booted the ball around for five unearned runs in a 4-2 Chicago victory.

4. Kansas City got only four hits, but beat Boston 4-3 on Hec Lopez' 2-run, 2-out homer in the ninth.

Turley, who has lost but three, had a 4-hitter and a 13-1 lead going into the ninth. Then the Tigers counted two on Gus Zernial's fifth homer and doubles by Frank Bolling and Tito Francona.

The Yankees built a 5-0 lead in four innings with the help of 2-run homers from Norm Siebern and Gil McDougald. Paul Foytack lost it for a 7-9 record.

Chisox to Fourth

The White Sox jumped past the Tigers into fourth place as Billy Pierce, 10 games behind last year's 20-victory pace, won his tenth. He had a shutout for 8 and two-thirds innings, then needed Turk Lowen's relief when he walked two runs home after an error by shortstop Luis Aparicio. Jack Harshman (7-8) lost it, supplying the error that led to a 3-run fourth. Bob Cerv had an RBI single as the A's scored two in the first. But Tom Brewer (4-9) then blanked 'em on two hits until he gave up a two-out walk and Lopez' ninth homer. Tom Gorman (3-4) won it in relief of Murry Dickson, who gave up the Red Sox' runs on homers by Pete Runnels and Jackie Jensen.

Senators Win

Home runs by Norm Zauchin and Ken Aspromonte won the opener for the Senators and Dick Hyde (8-2). Cal McLish (8-6) went all the way for the Tribe. Indian manager Joe Gordon rushed Washington starter Camilo Pascual after he had split Gary Geiger's helmet with a pitch but was restrained before reaching the mound. Geiger wasn't injured seriously.

Hal Woodeshick and Earl Averill combined to beat Washington in the nightcap. Woodeshick gave up nine hits but gained a 2-0 record when Averill broke a 2-2 tie with a 2-run single in the third. Rocky Colavito homered in both games for the Tribe. Loser John Romano (1-2) got his first major league homer in the nightcap.

Defending Champ Meriam Bailey Ousted in Western

Chicago—The day's best match was between two former kid rivals in today's second round of the Women's Western amateur golf tourney.

Now both college graduates, Anne Richardson (Ohio State) of Columbus, Ohio and Berdridge Long (Marshall) of Huntington, W. Va., renewed a feud dating back to the finals of the 1953 Western Junior finals.

Miss Richardson, now 22, won that 1953 showdown from Miss Long, now 21, by a score of 2 to 1.

Miss Long Tuesday ousted defending champion Meriam Bailey, Northwestern University coed, 1 up on the nineteenth hole.

Miss Richardson is one of the five surviving U S Curtis cup team members.

Canyon Trip by Mule Is Busman's Holiday For Tennessee Jaycee

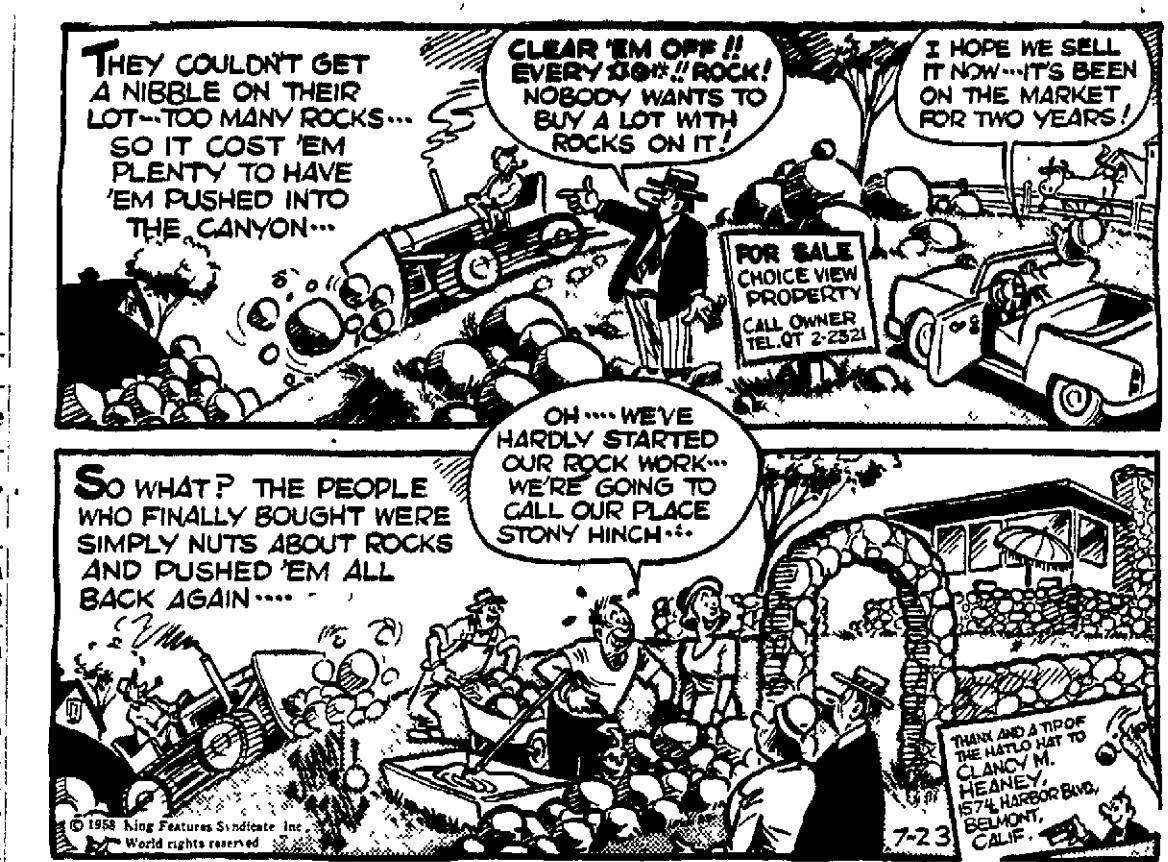

Flagstaff, Ariz. — The Flagstaff Junior Chamber of Commerce made special arrangements to entertain Bob Bradley, a Jaycee from Tennessee riding across the country on a mule.

Bradley stopped off in this northern Arizona town for a few days en route to a national Jaycee convention in Los Angeles. The Flagstaff Jaycees scheduled a visit to Grand Canyon, including a trip down the canyon—by mule.

Iola Posts Pair of Wins Over Symco '9'

Waupaca—Iola took two victories over Symco Sunday afternoon, one a protested game and the other in a regular meeting of the two teams.

In the protested game, Iola won by a 10 to 11 score. Symco had protested because the Iola bat boy handled the ball on a throw from the field to the third baseman. The umpire then waved the Iola man on third home and the Symco squad protested.

In the second game, Iola took last place Symco by a 10 to 5 tally. Iola's Wyman was the major slugger with a home run.

SUNDAY'S GAMES:
Gresham at Almon.
Clintonville at Bowler.
Marion at Tigerton.
Caroline at Tilleda.
Navarino at Shawano (night).

Clintonville, runnerup to Gresham in BABA Eastern-Western division baseball play, visits third place Bowler in a big game Sunday afternoon.

Meanwhile, first place Gresham will seek revenge for the only black mark on its record when it plays at Almon.

Clintonville nudged Marion, 8-2, last Sunday as Ben Hoppe picked up the triumph. Fifth place Marion attempts to stay in front of sixth place Tigerton Sunday in a contest at Tigerton.

Navarino is at Shawano in a Sunday night game. Bowler stopped Navarino, 8-4, last weekend as Jerry Herb took the loss.

Clintonville's Ken Lambic is fourth in batting with a mark of .457. Clintonville's J. Brahan owns a mark of .415 while R. Erdman is hitting .407.

Ron Kramer Won't Report This Season

Green Bay—Ron Kramer will not report to the Green Bay Packers' training camp this summer because his injured knee is not responding to treatment, Scooter McLean, coach of the National Football league team, said Tuesday.

McLean added that it is doubtful if the end and slot back would be able to play at all in the 1958 season, his second in the NFL.

Kramer, an All-America end from Michigan, broke his leg in a game at Los Angeles last year.

Caspers Triumphs In Archery Meet

Caspers scored 524 points in the two 50-meter rounds, while Thysell had 508 points.

Hector Lopez' Homer Makes 'Bob Cerv Night' a Success

Kansas City—Bob Cerv got enough gifts from admiring fans Tuesday night to fill an 8-room house plus another he probably will remember as long as any—a beautiful last ditch home run by Hector Lopez.

Some 23,000 Kansas City Athletics fans had turned out for Bob Cerv Night in appreciation for the courageous play of the outfielder and slugger who has carried the club with his hitting despite a broken jaw and half a dozen other assorted injuries.

One Single

The fans, including former President Harry Truman and three governors, paid tribute to Cerv, whose home run total of 24 is third best in the league. The 32-year-old veteran also has batted in 68 runs and is batting .325.

Raiders Win Before 5,057

Dump Bees, 7-6; Green Bay Trips Davenport, 7-4

By The Associated Press

A crowd of 5,057 turned out at Cedar Rapids Tuesday night for a special "family night" and saw the Three-I league-leading Braves beat Burlington in a home run battle, 7-6.

Three straight homers in the third inning by Horace Garner, Bob Taylor and Sid Goldfader led the Cedar Rapids attack. Taylor and Goldfader also singled in a 4-run fourth inning. Billy Williams homered twice for Burlington.

Terry Robertson's 2-run homer was the big blow for Green Bay in a 7-4 triumph over Davenport as the second-place Bluejays remained 3 1/2 games behind Cedar Rapids.

Promoter Asks Braves to Tour Japan in Fall

Milwaukee—A baseball promoter has asked the Milwaukee Braves to tour Japan this fall for a series of exhibition games, but some of the players don't want to make the trip.

Yetsuo Higa of Honolulu conferred with club officials Tuesday night. He has set up similar tours for other major league teams in recent years.

Details of the proposed junket have not been worked out. If not enough "name" players want to make the journey, of course, the offer will be withdrawn.

is 0 and 2. It was Mabe's second setback by a score of 2-1. Singles by Mathews, hitting in the cleanup position, and Aaron, batting fifth, and three errors by the Redbirds' infield led to the Braves' first run in the fourth. Mathews carried it over as Del Crandall forced Aaron at second and Don Blasingame threw wild trying for an impossible double play.

Back-to-back singles by Mathews and Aaron again and Crandall's sacrifice fly produced what proved to be the deciding run in the eighth. It was the Braves' eleventh victory in 16 games with the Cards, whose modest 3-game winning streak went by the boards.

Aaron's big night propelled him over the 300 mark for the first time this season. His record now reads 106 for 347 and a .305 batting average. He has batted .545 in his last eight games.

Haney said he decided on his most recent shakeup "to stir things up a little."

Wes is 0-For-4

"If you keep your consecutive power in there, Covington, Mathews and Aaron, it doesn't matter how they bat," he said. Covington batted third, but went 0 for 4.

"Eddie's the best No. 3 hitter I've got," Haney said, "but he has a bad leg. Covington does too, but he can move a little faster and prevent the DP. I didn't want Aaron hitting there. It's only temporary, though."

A crowd of 30,556 raised the Braves' attendance for the season to 953,875—88,366 below last year's total for the same number of dates.

Joey Jay, 5-3, will oppose Larry Jackson, 6-7, tonight. Jay is 2-1 vs. the Cards; Jackson 1-0 vs. the Braves.

Marines Say New Duty 'No Sweat'

Beirut—For the U. S. marines the Lebanese situation is "strictly no sweat."

By and large they are hot, bored—and puzzled.

Most have only a vague idea why they are here.

Perhaps the best summation of the marines' attitude came from platoon Sgt. Clarence Kelly of Carlisle, Pa.: "Saipan, Iwo Jima and Korea—and now this," he observed with the resigned shrug of a man to whom the fates have not been kind.

Where else are the front lines marked with a rope across a street?

All over Beirut you can find people picnicking, swimming or just sitting and gossiping. The only truly busy people are the marines.

Like combatwise veterans, many of them are working like mad, improving positions as if they expected an attack almost any minute.

They probably are the best behaved marines in history. To date not one has been embroiled in a fracas with a civilian. The fact that some units have not been paid lately may have something to do with this.

Many Youngsters

Wherever the marines are, they usually are surrounded by children, some well dressed, some quite ragged.

For the youngsters there is the universal attraction of candy.

In the dock area it is not unusual to find a dozen kids trailing after two or three self-conscious, grinning marines.

The worst enemy the Americans have encountered so far has been the mosquitoes.

Cpl. Kenneth B. Tucker, of Melrose, Mass., insists he saw one fly by carrying an 81-mm mortar tube.

"If we can catch a few and train them, we'll use them for sentries," Tucker said.

But it's still the most luxurious war the marines have ever attended. They even have ice delivered to outposts to cool drinking water.

The men themselves admit they never had it so good.

Van Dyke's Grand Slam Tips Winona

ing a march through the stands to the tune of "When the Saints Go Marching In." Prior to the game baseballs were presented to the presidents of the three villages being honored at the booster game Al Fulcer accepted the ball for Kimberly, Ed Kemps for Combined Locks, and George Vanderloop for Little Chute's Paul Costa, who was attending a meeting.

"Fox Cities first baseman 'Tex' Taylor seemed to be making up for the time spent out of the lineup due to his injury as he had three singles in five trips to the plate. Jim Nisewonger also starred at the plate with 4-for-5, all singles. Pascual, before his ejection, extended his hitting streak to 11 straight games with a single in the third.

Winona opened the scoring in the first when Dick Hower singled, went to third on catcher "Chick" Payne's passed ball, and scored on Tony Frullo's fly to left.

Foxes Counter

The Foxes countered with solo runs in the second and third to take a 2-1 lead. In the second Jim Nisewonger singled to left took second when Dave Gorrie bobbled the ball, went to third on Billy Bone's ground out, and scored on Nodarse's single to left.

John Marr doubled in the third, went to third on Taylor's grounder to second, and scored on Pascual's single between short and second base.

The hosts tallied again in the sixth when Nodarse blasted a single through the pitcher's box, advanced to second on Bob Tano's bunt, and scored on Taylor's single to center.

Bob Schmitt, who replaced starter and loser Ernie Nevers in the seventh, was greeted by a 2-run blast in the Foxes' seventh which started off with a single by Nisewonger. The un-nerved Schmitt uncorked a wild pitch, allowing Nisewonger to take second, from which he scored on Bone's double. Nodarse drove in his second run of the evening when he singled in Bone.

Break Through

The game, which up to this point had been a rather tight, close contest, broke wide open in the final two innings. Winona broke its 6-inning scoring drought with three unearned runs in the eighth. Rogers was safe on Marr's error at second, but was forced out at second by Lane Akers' grounder to third. After Roy Scery fouled out, Dave Gorrie tripled to right to score Akers and scored on Mel Wright's homer to center field.

The Foxes countered with their big eighth. Marr walked and Taylor singled to center. After Pascual was ejected at this time after striking out, Payne walked, and Nisewonger singled to score one run. Van Dyke then powered the ball over the fence for his grand slam, ending the Foxes' scoring for the night.

Nodarse had a reasonably safe 10-4 edge to work with in the ninth, but saw that edge chopped to two runs before he was through. Hower doubled, and Frullo hit a circuit clout over the left field fence. After Rogers singled, Scery blasted another homer over the center.

Called Superior Mouth Method Oldest Resuscitation Technique

Chicago — The mouth-to-mouth breathing technique of artificial respiration advocated for children was discussed in four articles in the current Journal of the American Medical Association.

The technique, which has been adopted for use in children by the American Red Cross, has been found to be equally effective in adults, according to the articles.

Mouth-to-mouth breathing, sometimes called the "Biblical method" is the oldest known resuscitation technique. However, through the years manual techniques have been developed.

Now Dr. Archer S. Gordon and associates, University of Illinois College of Medicine, Chicago, have demonstrated through comparative experiments that the mouth-to-mouth technique is "unequivocally superior" to manual techniques in all age groups. It is the only one which assures that an adequate volume of air will enter the victim's lungs.

The other articles, all published under the auspices of the A.M.A. Council on Medical Physics, are by Dr. James O. Elam, Buffalo, N.Y., and associates; David B. Dill, Ph. D., Army Chemical Center, Edgewood, Md., and Dr. Peter S. Sar, Baltimore.

Revised Instruction

The council plans to revise its resuscitation pocket instruction card for artificial resuscitation. It also will issue a statement on the mouth-to-mouth breathing method based on the findings of these research groups.

The authors joined in a statement of principles, which follows:

Because resuscitation with expired-air inflation (a general term for mouth-to-mouth resuscitation and its variants) is "simple and effective," it is easily learned and adaptable to many resuscitation problems.

(Its "teachability" is demonstrated by the fact that 90 per cent of 164 untrained rescuers used the method satisfactorily after one demonstration, according to Dr. Sagar.)

Rescuers can maintain mouth-to-mouth breathing for an hour or more without fatigue even though the victim is twice the size of the rescuer.

Obstruction Prevented

Obstruction of the airway above the larynx is the most common cause of failure of any artificial respiration method. But in expired-air breathing, this type of obstruction is prevented because the hands are free to keep the jaw slightly raised and the mouth open.

If an obstruction occurs during resuscitation, mouth-to-mouth techniques allow for immediate recognition and removal.

Briefly the steps in mouth-to-mouth resuscitation in infants are:

1. Clear the mouth of any foreign matter with the middle finger of one hand. With the same finger hold the tongue forward.
2. Now place the child in a face-down, head-down position and pat him firmly on the back with the free hand. This should help dislodge any foreign object in the air passage.
3. Place the child on his back and use the middle fingers of both hands to lift the lower jaw from beneath and behind so that it "juts out."
4. Hold the jaw in the position described in step 3, using one hand only.
5. Place your mouth over the child's mouth and nose, making a relatively leakproof seal, and breathe into the child with a smooth, steady action until you observe the chest rise. As you start this action, move your free hand to the child's abdomen, between the navel and the ribs, and apply continuous moderate pressure to prevent the stomach from becoming filled with air.
6. When the lungs have been inflated, remove your lips from the child's mouth and nose and allow the lungs to empty. Repeat this cycle at a rate of about 20 times a minute. After every 20 cycles you should rest long enough to take one deep breath. If at any time you feel resistance to your breathing into the child and the chest does not rise, repeat step 2 and quickly resume mouth-to-mouth breathing.

field wall before Gorrie ended the flurry with a grounder to Nodarse.

Nevers, who worked six innings and allowed three runs, was tagged with the loss. Schmitt gave up seven runs, all earned, on six hits.

On Him It Looks Good. His plaid shirt with black knit tie as office apparel would be thought irregular in some circles. But the colors and patterns don't clash, and he has confidence in it, so it's correct.

Male Corner Clothes Don't Make the Man, But Should Reflect What He Is

BY EDWARD LAWRENCE

It's a crime and a caution, the inner torment men go through about clothes. Yes, we said men, not women.

Women, it is true, either have nothing to wear, or else they have two things to wear but can't decide which.

But women at least have some rules to go by. From birth on, they are schooled and coached in the ways and wiles of adorning the person in order to bait the male and indulge the ego. They are a race of lovely geniuses who know at any given instant whether a certain garment is at the height of fashion, or on the way up, or on the way down.

What to Wear?

Now a solid, upstanding man is too busy with business, baseball or politics to acquire the fashion instinct and the security that goes with it. He considers the World of Fashion not of the essence and tries not to be concerned about it.

But the world of fashion is a clique that affects outsiders the way any clique affects outsiders who are constantly made aware of its existence. Fashion exists, for better and worse, and men willy-nilly are uncomfortable about it.

So what to do tomorrow morning when you face a drawer of shirts and a rack of ties and have to decide which

ties to match that combination up with the proper suit, and with that, the proper shoes?

The answer is: There is no one answer applicable to all men. First, look deep into your heart and decide whether you're the don't-give-a-damn type who won't let himself worry about an occasional fashion boo-boo. Or the Milwaukee type who bleeds internally if one of his shoe laces is twisted under the table. Or the fashion plate who's always correct simply because he has sufficient gall to create fashion, rather than follow it.

As we like to say, clothes don't make the man, but they do (and should) reflect what he is. This is the one unchanging, universally correct rule of fashion that we know of.

Man Breaks Arms When House Runs Over Him

Knoxville, Tenn. — When S. H. Burden told hospital attendants his arms were broken "when a house ran over me," he wasn't kidding.

Burden, a 69-year-old house mover, had a dwelling tied to a stump with a rope as it was moved along an incline. The rope broke and the house slid off the ties and have to decide which

Planners Stumped For Street Names

Honolulu — City planners are hard put to find names for new streets in Honolulu.

In the past, Hawaiian names have been used but most of these have already been used up. Worse yet, dangers lurk in trying to combine English and Hawaiian words.

Said one city planner: "In working out new names, we've actually come up with some immoral words without knowing it."

Karl Lutke, Green Bay, 7 and 6. Mrs. Richard Perrin, Oconomowoc, beat Mrs. Jay Greene, Whitewater, 2 and 1.

Mrs. Herb Polacheck, Milwaukee, eliminated Mrs. Clarence Kramlich, Appleton, 2-up.

Mrs. Lawrence Brodd, Milwaukee, beat Mrs. A. B. Prescott, Cambridge, 3 and 2.

Thai Survives What Some Call Another Crisis

Strongman's Absence Generates Latest Revolution Attempt

Bangkok — Thailand has survived what might be described as another political crisis.

It was generated by the absence of strongman Marshal Sarit Thanarat. It ended when Sarit returned from five months in the United States, where he had an operation for a liver ailment.

Sarit came back just as the opposition democrat party was preparing to launch a general debate against the government in the national assembly. The Democrats had won the support of 13 independents in bringing the debate to the floor.

Second Thoughts
The marshal called in some of the independents. To no one's surprise, eight had second thoughts about the debate and decided that "it would not be wise for the country at this time."

Wispy Khuang Aphaiwongse, the democrats' leader snapped: "The biggest doublecross in Thai political history."

Harassed Thanom Kittakachorn, the reluctant prime minister who has had little to be happy about, managed a smile. The eight independents went to the temple of the emerald buddha, Thailand's most sacred shrine, and swore they had not taken bribes from Sarit for withdrawing their support of the opposition.

Debate Sought
The democrats, strongest anti-communist group in the country, sought to debate the government on the issues of health, education, economics and corruption.

They had grounds. A cholera epidemic has killed 600 persons. Students are upset by the lack of classroom space and a new increase in college tuition fees. The country's treasury is virtually empty. Sixteen cases of corruption involving government officials have been reported since the beginning of the year.

Sarit told the democrats: "This is not the time for a general debate. It might encourage a revolution."

Fund for Republic May Close After 3-Year Program

New York — The Fund for the Republic, established by the Ford foundation with a treasury of \$15 million in 1952, says it will have spent all its money three years from now.

The fund, which operates independently, was set up to defend civil liberties.

A \$4 million program, announced by the fund Sunday, leaves an uncommitted balance of \$11,693, said Dr. Robert M. Hutchins, president of the fund. The program, a 3-year study of six major institutions and their impact on individual freedoms in the United States, is an extension of the fund's "basic issues" project.

Fund Vice Chairman George N. Shuster, president of Hunter college in New York City, indicated last night that the fund might close shop after the study is completed.

Shuster said it had never been interested to make the fund permanent.

The six studies are the individual and the corporation, the individual and the trade union, the individual and the common defense, religious institutions in a democratic society, mass media in the free society and political parties, pressure groups and professional associations.

Marines Cancel Leaves for Men

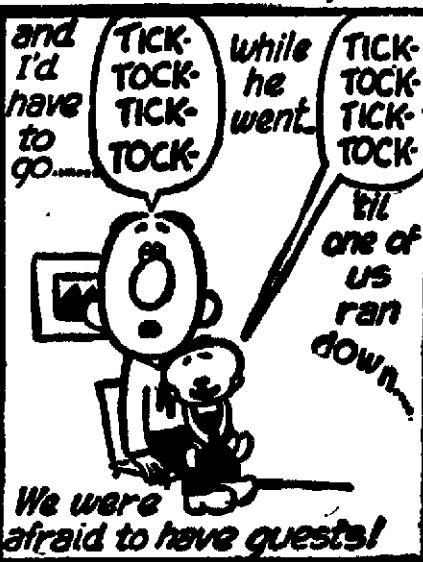

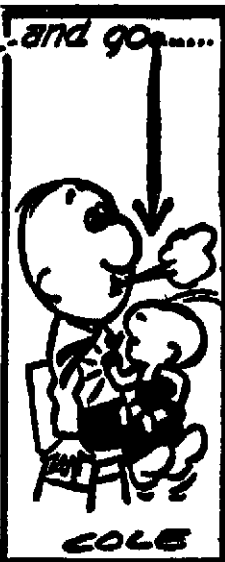

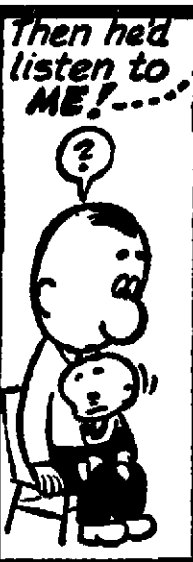

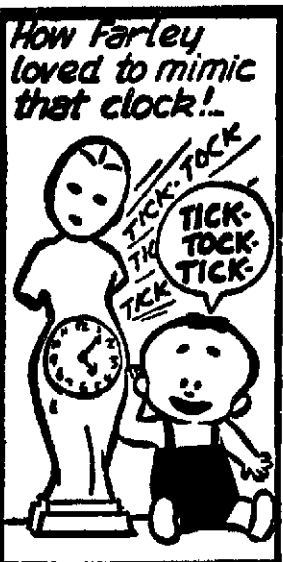

Camp Pendleton, Calif. — All but emergency leaves have been cancelled for the 17,000 officers and men of the First Marine division because of the Middle East crisis.

The Third Marine air wing at El Toro Marine Corps Air station at Santa Ana has restricted liberty to an area within 50 miles of the base. The normal limit is 150 miles.

A Camp Pendleton spokesman said the division was being held ready for possible move to the Middle East. Men on 30-day leaves will not be recalled unless the division gets orders to move.

"We don't know what might happen," he said, "but when they sound the button, we've got our sea bags packed. We're hot to trot."

Radio Hams Fear Threat To Hobby

Bonn, Germany — The free world's radio hams fear they will be squeezed out by increasing military and technical demands for ultra-short wavebands.

The threat to the radio amateurs is the main theme of the fourth annual convention

of the international Amateur Radio union, which opened a week's session Monday night.

About 80 delegates from 14 European countries as well as observers from the United States and Australia are attending.

The convention will prepare recommendations for improving the amateur share of wavebands. They will be submitted to the conference of governments on allocation of wave-lengths to be held in Geneva next year.

Delegates said demands on

the wavelengths used by hams were increasing from military, shipping and police networks.

They cited as an example the loss by American amateurs of the 15 meter band, taken for radar guidance of rockets.

The convention organizers said there were 100,000 registered amateurs in the United States, about 50,000 in west Europe, and another 50,000 in Africa and Asia.

Delegates stressed that their activity was not just a diverting hobby. They said they had helped extensively in catas-

Jury Clears Boy In Father's Death

Antigo — A coroner's jury found Monday that a 17-year-old farm boy acted in self defense in the death of his father.

Delmar Bennis was freed from Langlade County jail after trophies, such as the disastrous floods in the Netherlands and southern England in 1953, and had made 335,000 observations for the international geophysical year.

the jury's findings. Sheriff John Gray said no charges would be filed against the youth.

Delmar's father, Anton, 47, died after suffering a blow on the head July 13.

The son told authorities the blow was inflicted with a baseball bat during an argument over the son's request for permission to use the family auto. Mrs. Bennis said her son had been chased by Bennis, who was armed with the bat, authorities reported.
